The Bounce in the Captain's Boots Jayne Fresina,2017-09-13 When Emma Chance met her best friend's elder brother she knew instantly that he needed somebody to put the bounce back in his boots But it couldn't be her of course She wouldn't know where to start Against the odds Emma Chance survived a childhood of cruelty and neglect She's never had time for fairytales or Prince Charming and as a young woman with a logical mind her preference is for tidy facts over messy feelings But with one glance from his dark eyes Captain Guy Hathaway causes poor Emma a bundle of the latter and turns her cautious world on its head To him she is nothing more than his little sister's shy awkward friend and she wouldn't know what to do with herself in any case if he ever looked at her as anything more than that But there's something about Captain Hathaway The charismatic captain has a reputation for trouble Brawls duels and dangerous women litter his past With a mischievous sense of humor a hot temper and a reckless impulse to leap in with both feet he has always sailed along at a steady clip determined never to be anchored too long in one place and never risking his heart But lately he's felt a strange emptiness a yearning for something he cannot identify It began a few years ago about the time he escorted his younger sister and two of her friends to a ball Did he lose something there or did he find it Until he gets to the bottom of this mystery he knows he won't be whole again In the meantime while he seeks out the source of this discontent he can make himself useful initiate some changes in his life and do a few good deeds for once Why not For instance timid plain little Miss Chance his sister's droopy best friend could surely benefit from a helping hand The first time he met her she was a mess of nerves covered in a red rash and itching as if riddled with fleas But he can't help feeling there is more to the strange creature than meets the eye Yes indeed there is something about Emma Chance

Daughters of the Faith Set #1 (four books) Wendy Lawton,2009-01-01 This package includes four books of the Daughters of Faith Series Set 1 The Captive Princess Shadow of his Hand The Tinker s Daughter and Almost Home There are a few elements of the Daughters of Faith Series that separate it from many other children s book biographies First these books are about little girls They are not biographies of the entire life of these characters these are stories about girls who made a difference while they were still young This enables the young girl readers to relate to the characters more than they would if these characters had to wait until they were thirty or forty before doing anything significant Second these stories are faith journeys Lawton gets inside the minds of these girls in order to portray their struggles to make God an active part of their lives In The Captive Princess once upon a time there was an Algonquin princess named Pocahontas a curious 10 year

old who loved exploring the tidewater lands of her people One day she encounters strangers a group of people that look different from her own She befriends them and when her people come into conflict with these new settlers Pocahontas steps in to save the life of one of them by offering her own Based on the true story of Pocahontas early life In Shadow of His Hand young Anita Dittman s world crumbles as Hitler begins his rise to power in Germany but because she s a Christian and only half Jewish Anita feels sure she and her family are safe from the Final Solution She couldn t have been more wrong Shadow of His Hand is an inspirational young adult historical fiction book based on the real life story of Anita Dittman a Holocaust survivor It follows her struggle against Nazi persecution and her growth in her relationship with God through the worst of times In The Tinker s Daughter John Bunyan author of Pilgrim s Progress only mentioned one of his children in his memoirs Mary Born blind her story still intrigues us today Mary developed a fierce determination for independence despite her disability after years of proving she was not hindered by her blindness Only when she admits she needs help does she tap into the Source of all strength In Almost Home the story features the pilgrims journey to America and of God s providence and provision in their journey Several of the characters mentioned in the story Mary Chilton Constance Hopkins and Elizabeth Tilley were actual passengers on the Mayflower Mary Chilton was a young girl when she left her home in Holland and traveled to America onboard the Mayflower with her parents The journey was filled with trials joys and some surprises but when she reached the New World she experienced a new life a new freedom and a new home Wendy Lawton has taken the facts of the pilgrims journey to the New World and from this information filled in personal details to create a genuine and heart warming story *The Glacier's Gift* Eva Celine Gear Folger,1911 **The Captain and the Kid: Another Imaginary Tale from Margaritaville** Gary Bunch, II (Also Known As "Gary Buffett" on the Internet),2012-09 In this Parrothead themed novel story teller Jimmy Buffett s music drives the protagonist Gerry Boon II via a haunted radio in his hotrod Chevy Corvette convertible New to the ways of the world Boon would NEVER know that a girl liked him unless she came right up to him and planted a big old smooch on him Even then he might NOT still know if she liked him or not **The Captain's Room, Etc** Walter Besant,1885 **Harper's New Monthly Magazine** ,1887 **The sevenfold gifts of the Holy Spirit, notes of addresses** Augustus Theodore Wirgman,1890 **Extracts from the Records of the Burgh of Edinburgh, A.D. 1403-1528[-A.D. 1573-1589].
