The Story of Man James William Buel,1889 **A Life Well Danced: Maria Zybina's Russian Heritage Her Legacy of Classical Ballet and Character Dance Across Europe** Jane Gall Spooner,2022-12-20 Relatively little has been written about how ballet teachers become teachers themselves and how each generation passes on its experience to the next The teacher dancer relationship within the context of the Russian classical tradition is a theme of A Life Well Danced It is presented through the lens of a young girl who lived through emigration and displacement at the time of the Russian Revolution who experienced this again as an adult after the Second World War and who went on to establish a successful career as a teacher examiner and choreographer The book also touches on the teaching and performing of European character dance which is also an under appreciated field A Life Well Danced was inspired by the author s direct connection through Zybina and her teachers Nicolai Legat in London Evgenia Eduardova in Berlin and Elena Poliakova in Belgrade to the flowering of Russian classical ballet in the late nineteenth and early twentieth centuries when Marius Petipa was choreographing works such as Swan Lake and Sleeping Beauty An interview with Zybina provides the framework for material in memoirs and first hand accounts that are drawn upon for their lively descriptions of the Imperial Theatre School and the Mariinsky ballet company in St Petersburg Born in Moscow Zybina and her family fled to Europe at the time of the Russian Revolution Her first marriage to an English diplomat took her to Belgrade and a career as a dancer and ballet mistress in Yugoslavia The Second World War saw her still in Yugoslavia with her second husband when they and a number of close friends worked in intelligence on behalf of the Allies A strange twist of events brought them to England where Zybina established her ballet school and became an examiner for the Federation of Russian Classical Ballet and the Society of Russian Style Ballet Schools

between fashion social trends and the development of dance During the 18th century women literally took up twice as much space as men their billowing dresses ballooned out from their figures sometimes a full 55 inches to display costly jewelry and fine brocade work similar costumes appeared on stage But clothing also limited her movement it literally disabled them making the dances themselves little more than tableaux Movement was further inhibited by high shoes and tight corsets thus the image of the rigidly straight long lined dancer is as much a product of clothing as aesthetics However with changing times came new trends An increased interest in natural movement and the common folk led to less restrictive clothing As viewers demanded more virtuosic dancers women literally danced their way to freedom THE LURE OF PERFECTION will interest students of dance and cultural history and women s studies It is a fascinating well researched look at the interplay of fashion dance and culture still very much a part of our world today The History of Clerkenwell William John Pinks,Edward J.
