The Daughter-in-law And Other Stories:

Husbands and Pumpkins and Other Stories Gangadhar Gadgil, 2001 *The Orioles Are Back and Other Stories* Book In English- Chandrakanta Chandrakanta, 2023-09-27 Embark on tales of nature and wonder with *The Orioles are Back and Other Stories* by Chandrakanta where the beauty and mystery of the natural world come alive through captivating narratives. Eminent writer Chandrakanta's writings encompass both socio-economic and political situations as they have repercussions on human life. She concentrates on the value system and humanism. Her writings include problems and questions of identity of women and the less privileged, the effect of globalisation, broken relationships and clashes between inner realities, hopes and dreams of people with outer harsh realities of the system. *The Orioles are Back* Abbu had said stories showcase the human values. The effect/repercussions caused by militancy is portrayed in stories *The black Snow*, *The Voice*, *The dispossessed*, *Gasha Koul*. Old age issues in changing times are dealt with philosophically in *Exile*. The dream of roses and Rights for the departed show the mirror to corruption in society. *Amidst wrong people* is based on hopes, empathy and dreams of marginalised people. *Lark in the heart* is based on aspirations and wish to connect with people dispassionately. Remaining stories like *Threshold of justice* show the plight and sufferings of women suppressed under the societal superstitions. This collection of her stories has different shades and colours of society.

The Throttled Street and Other Stories Gangadhar Gopal Gadgil, 1994 *The Adventures of Kudmi Thatha and Other Stories* Arun Hariharan, 2019-10-16 *The Adventures of Kudmi Thatha and Other Stories* takes you on a journey through the funny side of life. To be honest, if you ask me, I believe that in the long run, there is only one side, the funny side. My children Lakshmi and Srihari are big believers in the funny side. Every time they come back from a perfectly serious event such as regular school day or a music concert, they get into fits of giggling and will regale anybody who is willing to listen with funny stories which everybody else seems to have missed. They taught me a thing or two about looking at the funny side. A book like *The Adventures of Kudmi Thatha and Other Stories* is never really done. All characters and situations in this book are fictional, but any fictional writing is influenced by the author's experiences and environment. Numerous have been the occasions when just as I thought I was finally done writing the book, yet another memory of some long forgotten hilarious situation would get rekindled and I would tell myself I must add this to the book. I am sure this will continue in the future too. So don't be surprised if you find more funny stories in the next edition of *Kudmi Thatha*. If you enjoy reading this book as much as I enjoyed writing it, my purpose in having written it will be served.

The Daughter-in-law and Other Stories Frances Cherry, 1986 *Amreeka Meri Jaan and Other Stories* Hari Om, 2025-04-02 Stories have a way of shaping the world we live in. They weave together our beliefs, emotions and the truths we hold dear, often blending reality with imagination. This book is a collection of such stories deeply rooted in the fabric of communal dynamics yet echoing universal human experiences. Each story sheds light on the innocence, complexities and conflicts that emerge when communities, cultures and individuals collide. The tales in this book are set against the backdrop

of day to day life in villages and towns They feature vibrant characters each with their own quirks and stories to tell From Rahmat the oil presser whose quiet resilience and legendary past make him a figure of endless fascination to the youthful debates and riddles that animate village temples these stories explore the deep connections and divides that define us While these stories are fictional they reflect the reality of the world around us They are not just about individuals or communities they are about humanity as a whole its flaws its beauty and its unrelenting pursuit of harmony **My Very Last Possession and Other Stories** Wan-sö Pak, Kyung-Ja Chun, 1999 An anthology of ten short stories by one of Korea's foremost living writers The literary world of Pak explores the moral ambiguities inherent in Korea's society today and encourages the reader to question the injustices that prevail in the more impersonal world emerging in a globalized Korea **The Art of Dying and Other Stories** Githa Hariharan, 1993 Twenty stories of contemporary Indian life by an astonishingly original writer This striking collection of stories demonstrates the remarkable range of one of India's most accomplished writers Sometimes comic yet tinged with sadness as in *The Remains of the Feast* where an old woman near the end of her life suddenly feels the urge to sample all the food she has been forbidden sometimes with a twist as in *Gajar Halwa* where Chellamma a servant girl from a small town finally understands what makes a big city work sometimes moving as in *The Reprieve* and always executed with a precision of style and magical imagery these stories never fail to surprise and delight *The Frozen Deep and Other Stories* Wilkie Collins, 1874 **A Summer's Painting and Other Stories** Lilli Promet, 1984 **Lotta Schmidt and Other Stories** Anthony Trollope, 1882 **The Blue Direction and Other Stories** Aamer Hussein, 1999 Acclaimed both in Pakistan and in Britain Aamer Hussein's first collection of stories *Mirror to the Sun* was chosen by Shena Mackay as one of her Books of the Year 1993 In his long awaited second collection which includes the experimental sequence *Skies* he continues and deepens his oblique subversive portrayal of the preoccupations of our time betrayal bereaving exile belonging and the writer's role In *The Blue Direction* a teenaged boy's life uncannily begins to resemble the role he plays in a school operetta in *The Lost Cantos* of the Silken Tiger a poet revenges herself on her faithless lover by turning their romance into a biblical legend and in *This Other Salt* a writer torn between two loves looks for his lost worlds in the gap between memory mourning and desire Combining satire legend poetry history and memoir the linked stories of *The Blue Direction* reveal an author of uncommon talent at the height of his craft **English Prose Fiction in the Free Public Library, Newark** Newark Public Library, 1900 **Complete Freedom, and Other Stories** Tove Irma Margit Ditlevsen, 1982 New Book List General Theological Seminary (New York, N.Y.), 1897 **Cheerful Sundays. Stories, Parables and Poems for Children. With ... Illustrations** Sundays, 1875 Publishers' circular and booksellers' record, 1882 *Arthur's Illustrated Home Magazine*, 1879 Publishers' Weekly, 1877 The Girl's Own Annual, 1899
