The Day Death Died By Green Michael:

The Debaters of This Age Steven H Propp,2019-02-05 It is June 2018 as an unusual group of scholars professors lecturers and students gather in a California hotel They are all attendees of an Apologetics conference intended to join qualified representatives of Christian Deist and Atheist thought for a two week no holds barred debate and discussion of their respective positions that will ultimately be included in a book published after the conference Evangelical Christianity is represented by advocates of Evidentialist and Presuppositionalist approaches to Apologetics Catholicism liberal Christianity and Deism are also well supported The Atheist perspective is advocated by a polemical author and a college professor notorious for attacking the views of his Christian students As the participants argue over controversial issues such as cosmology evolution The Bible historical evidence for Jesus the resurrection biblical prophecies and the problem of evil intellectual fireworks result But what will result when such a volatile and eclectic group is placed face to face for more than two weeks The Debaters of this Age is the tale of what happens inside a California hotel in 2018 when a group of intellectuals gather to vigorously discuss the religious issues of our time

A Thematic Access-Oriented Bibliography of Jesus's Resurrection Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus s Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Where Is God When We Suffer? Lynn Gardner,2007

Dead Or Alive? Daniel Clark,2007 Christians claim that Jesus of Nazareth rose bodily from the grave three days after being brutally executed If that claim isn t true Jesus was nothing more than a good man and the whole of the Christian faith collapses in a pile of dust But what if it is true Daniel Clark shows how Jesus resurrection is the key which unlocks answers to some of life s biggest questions Is there anybody out there Why is there so much suffering in the world Does life have a meaning or purpose Using real life stories of those who have come to believe in Jesus resurrection he explores the evidence so that we can make our own informed conclusion If Jesus is alive rather than dead then another altogether more startling

question emerges And the Lamb Wins Simon Ponsonby,2010-01-01 There is a growing collective interest in the end times But with that interest comes a barrage of confusing and sometimes misleading ideas and messages With so much available information how can we discern fact from fiction Pastor Simon Ponsonby takes an eye opening look at what the future holds Cutting through today s cultural din Simon examines provocative topics including Biblical indicators of the end times The return of Jesus Christ The tribulation and the rapture Israel s place in the future The true role of the antichrist Simon examines each event through the lens of solid scripture and shares how we can realistically and positively react to these revelations in our daily life Most of all we ll find that whatever the future has in store our hope lies beyond this world Because no matter the end the lamb wins *Christianity Stands True* Lynn Gardner,1994 The more people try to prove the Bible wrong the more evidence they seem to provide for proving the Bible is true Through a study of evidences you will see that when all is said and done Christianity will stand true for all ages **Alive!** Daniel Clark,2012-12-17 If someone came back from the grave they would be able to answer some big questions What happens when we die Is there anybody out there Which religion if any is true Christians claim that Jesus Christ did just that was bodily resurrected three days after being brutally executed But is it true Dan Clark helps readers explore for themselves whether Jesus really is alive and why it matters *ThirdWay* ,1982-03 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **National Union Catalog, 1982** ,1983 **National Union Catalog** ,1983 **New Covenant** ,1982 **The Day Death Died** Michael Green,1982-01-01 *The British Library General Catalogue of Printed Books 1976 to 1982* British Library,1983 **Subject Catalog, 1982** Library of Congress,1982 *American Book Publishing Record* ,1983-04 British Books in Print ,1985 **Library Journal** ,1982 **Subject Catalog** Library of Congress, Explaining Your Faith Without Losing Your Friends Alister E.
