The Dead Past Felicity Grove Mysteries:

A Lower Deep Tom Piccirilli, 2011-09-24 A man known only as the Necromancer and his demonic familiar named Self wander the spectral highways of the countryside incurring the wrath of both heaven and hell and facing the curses of the damned. But it's a figure from his past that may drive the Necromancer into a hell even he cannot escape. Jebediah DeLancré, the leader of the Necromancer's old coven, has created a new coven, an evil band determined to use the black arts for their own hideous ends. The Necromancer is forced to return to his home, a place haunted by memories where years earlier his original coven was destroyed and where Danielle, the only love of his life, met an awful death. Together with Self, the Necromancer must battle not only his former master but the members of the new coven and the jealous ghosts of his old one, all the while taunted by the possibility that Danielle may return from the dead.

The Nobody Tom Piccirilli, 2010-11-23

Cryer once had another name, but he can't remember it. The man he used to be was stabbed in the head by an assailant. After months of catatonia, Cryer awakens in a mental facility to find that his former life is almost completely forgotten. He knows his wife and daughter have been murdered; he saw them die moments before his own assault, but his shattered mind is incapable of retaining their names. Or even his own. Now Cryer is free again and trying to track down an elusive killer through his own unknown past. But how do you investigate the murders of your loved ones when you can't remember them? When you have no idea who your friends or enemies were? Where you lived and worked? And what secrets you might have once had and failed to keep? And how is he supposed to deal with the little man who keeps crawling in and out of his skull? Cryer is a nobody now, but that won't stop him from finding a vicious murderer and making him pay. Praise for *The Nobody*: THE NOBODY is a dangerous exploration into the mind and soul of man. Piccirilli's beautiful prose allows us to take a peek into the abyss of our consciousness and shine a light into those places that warmth has long ago forgot. You cannot read this book and not be changed. Larry Roberts Bloodletting Press. Clichés can't live with em, but as I discovered when I read this remarkable novella, you can't live without em. Part vigilante procedural, part hard-boiled PI yarn, and part examination of post-loss survival weepie, THE NOBODY is Tom Piccirilli at his uncompromising best. The dialogue is so crisp it's like Leonard on speed, and the second and third pages are the literary equivalent of being hit in the face with a shovel. A roller coaster ride. You bet. A page turner, even. Yep, no question. A palpable atmosphere larger than life, characterisation and impeccable plotting. They're all there. Like I said, clichés can't live with em, can't live without em. Peter Crowther PS Publishing. A revenge tale almost mythic in its simplicity. Shocking, tragic, beautifully written, insightful and nuanced, mournful and uplifting, everything we've come to expect from Tom Piccirilli, done to perfection. From its brutal opening scene to its heartfelt final pages, *The Nobody* is Pic at his finest. RJ Sevin Creeping Hemlock Press.

The Walls of the Castle Tom Piccirilli, 2018-07-02 From Tom Piccirilli, five-time Bram Stoker Award winner, two-time International Thriller Writers Award winner, and finalist for the 2009 Edgar Allan Poe Award, comes *The Walls of the Castle*, an intense and visceral psychological thriller. This atmospheric yet action-packed, mature

psychological thriller is part examination into the bonds of family and part treatise on the nature of identity and explores the deepest areas of what makes us who we are With a noir sensibility and complexity of character the novella is a hybrid psychological thriller that's part suspense tale part family saga and part literate mystery **Futile Efforts** Tom Piccirilli, 2011-07-11

In this disturbing often grotesque and ultimately mesmerizing collection Piccirilli The Cold Spot reprints 16 stories and 45 poems Although the star studded introductions are a nice bonus Piccirilli's stories are the selling point and all are standouts An Average Insanity a Common Agony is an emotionally devastating tale of a man trying to do the right thing for the sake of an innocent creature Alchemy tells the story of five emotionally stunted people whose discovery of a dead body lets them visit their own dark places They weren't frightened by the sight of the corpse None of us were It broke up the monotony With an Ear for My Father's Weeping manages to be both touching and hysterical Piccirilli's unique mix of gore violence and a literate style bordering on the lyrical help make this collection one that horror fans will relish Publishers Weekly starred review With story introductions by Jack Ketchum Brian Keene Edward Lee Simon Clark TM Wright Gary Braunbeck Thomas Monteleone Tamara Thorne Ed Gorman Ray Garton and Christopher Golden **The Fever Kill** Tom
