The Death-Mask and Other Ghosts Mrs. H. D. Everett, 2015-06-25 Excerpt from *The Death Mask and Other Ghosts* Yes that is a portrait of my wife It is considered to be a good likeness But of course she was older looking towards the last Enderby and I were on our way to the smoking room after dinner and the picture hung on the staircase We had been chums at school a quarter of a century ago and later on at college but I had spent the last decade out of England I returned to find my friend a widower of four years standing And a good job too I thought to myself when I heard of it for I had no great liking for the late Gloriana Probably the sentiment or want of sentiment had been mutual she did not smile on me but I doubt if she smiled on any of poor Tom Enderby s bachelor cronies The picture was certainly like her She was a fine woman with aquiline features and a cold eye About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of
