**The Deep End of the Ocean** Jacquelyn Mitchard, 1997-07-01 Masterful A big story about human connection and emotional survival Los Angeles Times The first book ever chosen by Oprah s Book Club Few first novels receive the kind of attention and acclaim showered on this powerful story a nationwide bestseller a critical success and the first title chosen for Oprah s Book Club Both highly suspenseful and deeply moving The Deep End of the Ocean imagines every mother s worst nightmare the disappearance of a child as it explores a family s struggle to endure even against extraordinary odds Filled with compassion humor and brilliant observations about the texture of real life here is a story of rare power one that will touch readers hearts and make them celebrate the emotions that make us all one [Why Go to the Deep End of the Ocean?](#)

Andrew Charles Swarm, 2011-08-16 Why Go To The Deep End of The Ocean is about two guys Stone Rainy and Jim Toppy who have been best friends since high school They love to go fishing in the Pacific Ocean drink beer and talk about their girlfriends The story unfolds with Stone and Jim out on the Pacific Ocean in Stone s deep sea fishing boat Jim mentions that he thought Gwen was falling in love with him and that he was going to propose to her that evening Stone caked Jim if he loved her or was she pregnant Jim gets furious hits Stone almost ruining their longtime friendship Things simmer down and the two guys apologized to each other When they returned to shore and to Stone s house things took another turn After Jim left to go to his own house Gwen shows up at Stone s house starting to flirt with him They started kissing and making out when Stone heard someone out in the living room Gwen went to the bathroom and he went to see who was there Sure enough it was Jim who had come looking for Gwen to take her to dinner so he could propose to her Later that evening Stone and Sarah went out on his boat to make love They made love in the boat s cabin and then went up on deck to make love under the moon and stars Fate had other plans for while walking towards the railing Sarah slipped on a puddle of water falling underneath the railing and into the dark water Stone jumps in after her but couldn t save her Gwen comes over to Stone s to console him when she finds out about Sarah s untimely death Jim finds out and does something drastic Gwen and Stone start seeing each other after she and Jim break up but fate steps in again The story ends with investigators going to Jim s house finding his note *Floating in the Deep End* Patti Davis, 2021-09-28 With the heartfelt prose of a loving daughter Patti Davis provides a life raft for the caregivers of Alzheimer s patients For the decade of my father s illness I felt as if I was floating in the deep end tossed by waves carried by currents but not drowning writes Patti Davis in this searingly honest and deeply moving account of the challenges involved in taking care of someone stricken with Alzheimer s When her father the fortieth president of the United States announced his Alzheimer s diagnosis in an address to the American public in 1994 the world had not yet begun speaking about this cruel mysterious disease Yet overnight Ronald Reagan and his immediate family became the face of Alzheimer s and Davis once content to keep her family at arm s length quickly moved across the country to be present during the journey that would take him into the sunset of his life Empowered by all she learned from caring for

her father about the nature of the illness but also about the loss of a parent Davis founded a support group for the family members and friends of Alzheimer's patients Along with a medically trained cofacilitator she met with hundreds of exhausted and devastated attendees to talk through their pain and confusion While Davis was aware that her own circumstances were uniquely fortunate she knew there were universal truths about dementia and even surprising gifts to be found in a long goodbye With *Floating in the Deep End* Davis draws on a welter of experiences to provide a singular account of battling Alzheimer's Eloquently woven with personal anecdotes and helpful advice tailored specifically for the overlooked caregiver this essential guide covers every potential stage of the disease from the initial diagnosis through the ultimate passing and beyond Including such tips as how to keep a loved one hygienic and careful responses for when they drift to a time gone by Davis always stresses the emotional milestones that come with slow burning grief Along the way Davis shares how her own fractured family came together With unflinching candor she recalls when her mother Nancy who for decades could not show her children compassion or vulnerability suddenly broke down in her arms Davis also offers tender moments in which her father a fabled movie star whom she always longed to know better revealed his true self always kind even when he couldn't recognize his own daughter An inherently wise work that promises to become a classic *Floating in the Deep End* ultimately provides hope to struggling families while elegantly illuminating the fragile human condition
