**The Deer Hunter** The Deer Hunter,1978      **The Deer Hunter (video).** ,1978      **New York Magazine** ,1979-06-18  
New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **The Deer Hunter's Encyclopedia** Leonard Lee Rue,2003-09 A complete reference book on America s most popular big game animal  
*Projecting the Shadow* Janice Hocker Rushing,Thomas S. Frentz,1995-12 The cyborg is the hero of an increasingly popular genre of American film Drawing from representative films such as Jaws The Deer Hunter and The Manchurian Candidate the authors track the narrative s thread from the hunter to his technological nemesis      **The DEER Hunter** ,2003      *The Deer Hunter* Reed Cartwright,2020-04-08 In 1968 Michael Robert De Niro Nick Christopher Walken and Steven John Savage lifelong friends from a working class Pennsylvania steel town prepare to ship out overseas following Steven s elaborate wedding and one final group hunting trip In Vietnam their dreams of military honor are quickly shattered by the inhumanities of war even those who survive are haunted by the experience as is Nick s hometown sweetheart Linda Meryl Streep      *The Deer Hunter* Michael Cimino,2012      **The Deer Hunter** Deric Washburn,1977      *The Deer Hunter* Brad Prager (author),2023 Michael Cimino s The Deer Hunter was met with both critical and commercial success upon its release in 1978 However it was also highly controversial and came to be seen as a powerful statement on the human cost of America s longest war and as a colonialist glorification of anti Asian violence Brad Prager s study of the film considers its significance as a war movie and contextualizes its critical reception Drawing on an archive of contemporaneous materials as well as an in depth analysis of the film s lighting mise en scene multiple cameras and shifting depths of field Prager examines how the film simultaneously presents itself as a work of cinematic realism while problematically blurring the lines between fact and fiction While Cimino felt he had no responsibility to historical truth depicting a highly stylized version of his own fantasies about the Vietnam War Prager argues that The Deer Hunter s formal elements were used to bolster his troubling depictions of war and race Finally comparing the film with later depictions of US led intervention such as Albert and Allen Hughes s Dead Presidents 1995 and Spike Lee s Da Five Bloods 2020 Prager illuminates The Deer Hunter s major presumptions blind spots and omissions while also presenting a case for its classic status      **The Deer Hunter** Walter Mattson,197?      Focus On: 100 Most Popular French-language Films Wikipedia contributors,      Cimino Charles Elton,2022-03-29 The revelatory The New Yorker first biography of critically acclaimed then critically derided filmmaker Michael Cimino and a reevaluation of the infamous film that destroyed his career The director Michael Cimino 1939 2016 is famous for two films the intense powerful and enduring Vietnam movie The Deer Hunter which won Best Picture at the

Academy Awards in 1979 and also won Cimino Best Director and Heaven's Gate the most notorious bomb of all time. Originally budgeted at 11 million, Cimino's sprawling western went off the rails in Montana. The picture grew longer and longer and the budget ballooned to over 40 million. When it was finally released, Heaven's Gate failed so completely with reviewers and at the box office that it put legendary studio United Artists out of business and marked the end of Hollywood's auteur era. Or so the conventional wisdom goes. Noted television producer and author Charles Elton delves deeply into the making and aftermath of the movie and presents a surprisingly different view to that of Steven Bach, one of the executives responsible for Heaven's Gate who wrote a scathing book about the film and solidified the widely held view that Cimino wounded the movie industry beyond repair. Elton's Cimino is a richly detailed biography that offers a revisionist history of a lightning rod filmmaker. Based on extensive interviews with Cimino's peers and collaborators and enemies and friends, most of whom have never spoken before, it unravels the enigmas and falsehoods many perpetrated by the director himself which surround his life and sheds new light on his extraordinary career. This is a story of the making of art, the business of Hollywood and the costs of ambition, both financial and personal. **The Copycat Effect** Loren Coleman, 2004-09-14

VIOLENCE BEGETS VIOLENCE BEGETS VIOLENCE. A disturbed student shoots up his classroom and suddenly a wave of mass murder is sweeping through our nation's schools. A young child is taken from her home and for months afterward child abductions are frantically reported on an almost daily basis. A surfer is attacked by a shark and the public spends an entire summer fearing an onslaught of the deadly underwater predators. Why do the terrible events we see in the media always seem to lead to more of the same? Noted author and cultural behaviorist Loren Coleman explores how the media's over-saturated coverage of murders, suicides and deadly tragedies makes an impact on our society. This is The Copycat Effect, the phenomenon through which violent events spawn violence of the same type. From recognizing the emerging patterns of the Copycat Effect to how we can deal with and counteract its consequences as individuals and as a culture, Loren Coleman has uncovered a tragic flaw of the information age, a flaw which must be corrected before the next ripples of violence spread.

"The Deer Hunter" Sarah Kölzer, 2009-09-22. Seminar paper from the year 2005 in the subject English Language and Literature Studies, Culture and Applied Geography, grade 2.0. Johannes Gutenberg University Mainz, Department of English and Linguistics course. Framing the Enemy: Political Typology in American Cinema from the 1950s to the Present. language: English. abstract: The movie The Deer Hunter was released in 1978, three years after the end of the Vietnam War. During the war, the American public had received censored information by the mass media concerning the war. The American sense of mission and patriotism hovered above and disguised uncomfortable topics such as the cruelties inflicted on Vietnamese civilians by GIs or less palatable justifications for the U.S. intervention in the war. It therefore left no space for any respect towards the Vietnamese as an individual being part of an ethnic group with its own culture. Although stereotypes about the Vietnamese are adopted and developed in The Deer Hunter so much so that even critics stood up for the former enemy and

condemned the depiction as racist the enemy is not unlike in several other movies produced at that time simply an excuse for demonizing particularly the Vietnamese it serves as a rather symbolical threat to a community of war buddies and could be replaced by any other enemy In this paper I will argue that labeling The Deer Hunter as racist is misconceived since the adoption of the Vietnamese as an enemy image has to be reduced to the threat itself The first two chapters will explain how the attitude of the American public towards the Vietnamese as their enemy was shaped and why the issue of Vietnam became a central to the plot This will show that the emphasis is laid on something else human relationships within the group and not as it at first seems to be on the enemy itself Therefore I will explore the significance of community in this particular case and compare the relationships within the group before during and after the war It will become clear that the original hierarchy of the group dissolves when the group is threatened The group s war experiences lead further to an inability to take part in the social life at home Since the original group is shattered the new group is challenged to refer to the former bonds that have always kept them together in order to establish a new identity Ironically this new identity is based on the patriotic phrase God bless America     The Deer Hunter Pt. 2 ,1978     **The 1960s on Film** Jim Willis,Mark Miller,2021-10-11 The 1960s on Film tells the narrative of the 1960s through the lens of the movie camera analyzing 10 films that focus on the people events and issues of the decade Films create both an impression of and at times for younger audiences a primary definition of events people and issues of an era The 1960s on Film examines the 1960s as the decade was presented in ten films that focused on that decade This book analyzes both what the films have to say about the era and how close they come to accurately depicting it For example films such as Mississippi Burning and Selma tell the story of racial conflict and hope for reconciliation in the 1960s Other films such as The Right Stuff and Hidden Figures show the deep fascination America had at that time with the burgeoning space program and NASA while Easy Rider analyzes the role of rock music and drugs among young people of the decade The Deer Hunter studies the controversies surrounding the war in Vietnam     The Deerhunter ,1997     *THE WILTSHIRE Archeological and Natural HHistory MAGAZINE SOCIETY FORMED IN THAT COUNTY*,1885
