*The Determined Virgin* Daphne Clair,2010-06-11 Gabriel Hudson is one of the most successful entrepreneurs in New Zealand and he's not used to being turned down. He's determined to seduce cool beauty Rhiannon Lewis whatever it takes. Gabriel has every means at his disposal to pursue her and woo her. But his instincts tell him that a different approach is needed if he's to win Rhiannon. He's got to do something no self respecting alpha male would normally do slow it down. The result is surprising Rhiannon lets down her defenses. But she also reveals to Gabriel something he just didn't expect.

*Bride of Hades to Bride of Christ* Abbe Lind Walker,2020-02-14 This volume argues that ancient Greek girls and early Christian virgins and their families made use of rhetorically similar traditions of marriage to an otherworldly bridegroom in order to handle the problem of a girl's denied or disrupted transition into adulthood. In both ancient Greece and early Christian Rome the standard female transition into adulthood was marked by marriage sex and childbirth. When problems arose just before or during this transition the transitional girl's status within society became insecure. Walker presents a case for how and why the dead Greek virgin girl depicted in Archaic through Hellenistic sources in both texts and inscriptions as a bride of Hades and the life long female Christian virgin or celibate ascetic dubbed the bride of Christ around the third century CE provide a fruitful point of comparison as particular examples of strategies used to neutralize the tension of disrupted female transition into adulthood. *Bride of Hades to Bride of Christ* offers a fascinating comparative study that will be of interest to anyone working on virginity and womanhood in the ancient world.
