Lemoncelli, 2012-04-06 Written directly to individuals who have experienced childhood trauma this book provides essential information that allows victims to begin recovering from their immense pain and suffering and empowers them to examine their specific issues in order to become a true survivor The American Medical Association currently estimates at least one in every five adults suffered abuse as a child While childhood abuse or trauma is certainly not a new issue it has reached epidemic proportion Yet most clinicians have not been sufficiently trained to appreciate or understand the devastating long-term impact of abuse on the total person John J

Lemoncelli EdD authored this book to enable those who suffer in silence to understand what happened take control and begin and maintain a program of recovery It helps those abused in childhood to grasp how their experience impacted their development and the extent to which it negatively affects their present lives encourages them to let go of the belief that they are damaged dirty or at fault and provides an effective strategy for externalizing the source of their anguish rather than blaming themselves The author outlines several stages and common issues that may need to be addressed but as no one size fits all treatment is possible he provides strategies that empower victims to identify the specific sources of their pain **The Devil You Know** Kerry Daynes, Jessica Fellowes, 2011-05-12 How many times have you despaired about how to handle your psycho boss or listened to your friend talk about how their dream date turned out to be a bit of a psychopath It s far from just a turn of phrase psychopaths aren t all serial killers or criminals as you might expect they are seemingly ordinary people too In fact around 3 % of the general population have strong psychopathic tendencies The devil you know may be in disguise So how do you know if someone close to hand isn t quite who they seem The psycho in your life could be your lover your child your colleague your friend or the hot new date you ve met on the internet In **The Devil You Know** forensic psychologist Kerry Daynes explains the psyche of a psychopath she reveals the behavioural traits they share in common and she gives advice on how to handle them or better still how to avoid them at all costs Using research and high profile case studies **The Devil You Know** will help you spot the psycho in your life The only question is can you afford not to read this book **The Rebel Queen** Sir Walter Besant, 1893 **An Incident at the Border** Kieran Lynn, 2012-08-28 When we came for a romantic walk in the park we didn t think we would be involved in an international crisis This side of the line that side of the line Does it really make that much of a difference which side I am from When a country s new border is drawn a couple are divided by the line Under the rigorous eyes of a brand new border guard they are trapped in an increasingly absurd nightmare stuck in between two aggressive nations on the verge of war A comic new play exploring the imaginary lines that divide us and the severe penalties for breaking them The world premiere of the full length version of a new play by acclaimed young playwright Kieran Lynn A shorter version of **An Incident at the Border** was first seen at ran M r in Glasgow as part of David MacLennan s acclaimed **A Play A Pie** and **A Pint** series of lunchtime theatre It was recently recorded and broadcast on BBC Radio 4
