

The Devils Finger

Minjie Lin

The Devils Finger:

Undead Ed and the Devil's Fingers David Grimstone, 2012-01-05 Forget everything you've ever seen or heard about werewolves, zombies, and vampires because Ed Bagley's going to tell you the single most important fact you'll ever learn: BEING UNDEAD SUCKS, especially if you're a kid. Despite Ed's death, he's finding it really hard to actually pass on. Mainly because he's been cursed by an evil clown who made a sick pact with the devil, a pact that has lumbered him with four of Satan's fingers. And now he's killed Evil Clive, the head of Mortlake's dead community, and none of his undead friends can ever forgive him. Ed has no choice but to return these fingers to the devil himself. Then maybe he can get on with the rest of his death in peace.

The Devil's Fingers & Other Personal Essays James Hoggard, 2013 The more than two dozen personal essays in this new collection by one of Texas's master storytellers range from travel pieces about Havana and London to stories about small town exotics that are funny, nervy, outlandish, and all characterized by James Hoggard's sly wit and his noted openness to people he meets along the way. Fast-paced yet at the same time reflective, Hoggard guides his readers into some of the wonderfully strange turns of the world, including a Saturday morning gathering of khaki-dressed men who have hunkered down at a Dairy Queen to get away from their women who want them to spend the day doing chores. At the same time, they see Hoggard as a bicycle-riding exotic who finds it normal to go out and bike 60 odd miles before lunch. Now and then the encounters are hair-raising, sometimes scary, but Hoggard always provides the kind of interior monologues that draw upon both deep reading and deep observation.

The Devil's Promise Celso Hurtado, 2023-10-03 San Antonio is full of secrets, and seventeen-year-old Erasmo Cruz investigates the strangest of them. After gaining renown for surviving the city's legendary Ghost Tracks, he has set up shop as a paranormal investigator. But helping exorcise other people's demons doesn't seem to relieve his own. His best friend Rat has abandoned him, his grandmother is nearing death, and his own health has taken a sudden decline. None of these hardships can prepare Erasmo for the story his newest client brings him. Two decades after a strange ritual at a rural ranch, Bradley Erickson is being hunted by the Devil. In exchange for the life of his dreams, Bradley must surrender the blood of his child. The case hurls Erasmo into a dark web of cults, bargains, and broken pasts. Only one thing is certain: the Devil keeps his promises.

The Devil's Finger William Ungerman, 2004 This electrifying debut novel is by a former Special Ops soldier who pens a tale of two trained snipers who, while on the hunt for a vicious drug lord, become the hunted by the bloody demons of their pasts.

Original: *The Devil and the Victorians* Sarah Bartels, 2021-03-04 In recent decades, there has been a growing recognition of the significance of the supernatural in a Victorian context. Studies of nineteenth-century spiritualism, occultism, magic, and folklore have highlighted that Victorian England was ridden with spectres and learned magicians. Despite this growing body of scholarship, little historiographical work has addressed the Devil. This book demonstrates the significance of the Devil in a Victorian context, emphasising his pervasiveness and diversity. Drawing on a rich array of primary material, including theological and folkloric works, fiction, newspapers, and periodicals, and

broadsides and other ephemera it uses the diabolic to explore the Victorians complex and ambivalent relationship with the supernatural Both the Devil and hell were theologically contested during the nineteenth century with an increasing number of both clergymen and laypeople being discomfited by the thought of eternal hellfire Nevertheless the Devil continued to play a role in the majority of English denominations as well as in folklore spiritualism occultism popular culture literature and theatre The Devil and the Victorians will appeal to readers interested in nineteenth century English cultural and religious history as well as the darker side of the supernatural
