

The Devils Stone

Moncure Daniel Conway

The Devils Stone:

The Devil's Stone Marie Reindorp, 2024-10-25 Synopsis The Devil's Stone is an action adventure story set in Sierra Leone West Africa over the Christmas period during the late 1980s. It's an exciting tale of a priceless red fancy diamond. Everybody wants it and will do whatever it takes to get it. Whoever owns it will be king. Omar Ash Raff is a man of honor. He lives in Sierra Leone, a country rife with diamond smugglers. Omar knows what diamonds can do to a man. He's chased that dream all his life. He safeguards Okra Hill, the most valuable piece of diamond-rich real estate the country possesses from being pillaged by rebels, diamond conglomerates, and the corrupt government that will sell it to the highest bidder. Okra Hill belongs to the people. Protecting it is insurance that if the people can't have it, nobody else will. Dawn Peake, a successful Tour Guide, is enroute to the most important meeting of her career in Gambia West Africa to establish a tour operation with a prominent hotel chain. Her plane makes a forced landing in Freetown. From the moment the plane lands, Dawn is entangled in the rebel war and she must trust Omar to help her. She is cautious of a relationship with Omar, but there is a mystical force that binds them together from the start. Omar is swept into a romance with Dawn. But once he sees The Devil's Stone, he realizes the power he'd have if he owned it. He'd be the wealthiest, most powerful man in the region. He promises to protect Dawn from the dangers of the country. They head to a remote mining town where six-year-old Bingo lives. A homeless orphan, Bingo owns The Devil's Stone, left to him by his late mother. The stone is stolen from him first by the Chief of the village of Kono and then by the rebel leader Cobra. Bingo is devastated and vows to get it back. In a land of voodoo, devils, and secret societies, Omar sets out to hunt down the priceless diamond. Together, Dawn, Omar, and Bingo must play their part in finding the DEVIL'S STONE. Along the way, they form lasting friendships that change their lives forever.

Autobiography Marie Reindorp is an English native who traveled the world extensively as a tour guide. Many of her stories are based on her adventures and experiences of her travels and the places she's lived in. [The Devil's Stone](#) Helen Frances, 1983 [The Devil Stone](#) Caro Ramsay, 2023-08-31 In the village of Cronchie, a wealthy family are found brutally murdered. The Devil Stone, an heirloom rumored to bring death if removed from their home, is the only thing stolen. The key suspects are known satanists. But when the investigating officer disappears, DCI Christine Caplan is pulled in to investigate. Caplan knows she is being punished for a minor misdemeanour when she is seconded to the Highlands, but she's confident she can quickly solve the murders and return home to her fractious family. But as she closes in on the truth, it is suddenly her life, not her career, that is in danger.

[Devil's Rock](#) Chris Speyer, 2011-02-07 A stunning mystery fantasy. Irish Times. When Zaki finds an ancient skeleton, he doesn't realize he has stumbled on a mystery that goes back generations, a mystery that involves ruthless shipwreckers, an immortal girl, and sinister powers. Zaki's family is a mess, and Zaki is in trouble at school. Nobody seems to be on his side until he meets the new girl, Anusha. Together, they must face the dangers of the sea and the evil that Zaki has released from Devil's Rock. Tense and tight with a palpable air of menace. A winning novel for tweens and teens.
