# The Dew Breaker

**Charlotte Mary Yonge**

## **The Dew Breaker:**

**The Dew Breaker** Edwidge Danticat,2007-12-18 We meet him late in life a quiet man a good father and husband a fixture in his Brooklyn neighborhood a landlord and barber with a terrifying scar across his face As the book unfolds moving seamlessly between Haiti in the 1960s and New York City today we enter the lives of those around him and learn that he has also kept a vital dangerous secret Edwidge Danticat s brilliant exploration of the dew breaker or torturer s an unforgettable story of love remorse and hope of personal and political rebellions and of the compromises we make to move beyond the most intimate brushes with history It firmly establishes her as one of America s most essential writers BONUS This edition includes an excerpt from Edwidge Danticat s *Claire of the Sea Light* [Ecology, Spirituality, and Cosmology in Edwidge Danticat](#) Joyce White,2022-10-28 *Ecology Spirituality and Cosmology in Edwidge Danticat* Crossroads as Ritual employs nature literary tradition and the cosmogram to examine Danticat s fiction as textual sites imbued with ritual and conducive for healing and clarifying Africana diasporic consciousness **The Bloomsbury Handbook to Edwidge Danticat** Jana Evans Braziel,Nadège T. Clitandre,2021-01-28 Edwidge Danticat s prolific body of work has established her as one of the most important voices in 21st century literary culture Across such novels as *Breath Eyes Memory* *Farming the Bones* and short story collections such as *Krik Krak* and most recently *Everything Inside* essays and writing for children the Haitian American writer has throughout her oeuvre tackled important contemporary themes including racism imperialism anti immigrant politics and sexual violence With chapters written by leading and emerging international scholars this is the most up to date and in depth reference guide to 21st century scholarship on Edwidge Danticat s work The Bloomsbury Handbook to Edwidge Danticat covers such topics as The full range of Danticat s writing from her novels and short stories to essays life writing and writing for children and young adults Major interdisciplinary scholarly perspectives including from establishing fields fields of literary studies Caribbean Studies Political Science Latin American Studies feminist and gender studies African Diaspora Studies and emerging fields such as Environmental Studies Danticat s literary sources and influences from Haitian authors such as Marie Chauvet Jacques Roumain and Jacques St phen Alexis to African American authors like Zora Neale Hurston Toni Morrison and Caribbean American writers Audre Lorde to Paule Marshall Known and unknown Historical moments in experiences of slavery and imperialism the consequence of internal and external migration and the formation of diasporic communities The book also includes a comprehensive bibliography of Danticat s work and key works of secondary criticism and an interview with the author as well as and essays by Danticat herself [Dew Breaker](#) Edwidge Danticat,2005-03 From the universally acclaimed author of *Breath Eyes Memory* comes a brilliant deeply moving work of fiction that explores the world of a dew breaker a torturer a man whose brutal crimes in the country of his birth lie hidden beneath his new American reality [Edwidge Danticat](#) Clitandre T. Nadège,2018-11-14 Haitian American writer Edwidge Danticat is one of the most recognized writers today Her debut novel *Breath Eyes Memory* was an Oprah Book Club selection

and works such as *Krik Krak* and *Brother I'm Dying* have earned her a MacArthur genius grant and National Book Award nominations. Yet despite international acclaim and the relevance of her writings to postcolonial feminist Caribbean African diaspora Haitian literary and global studies, Danticat's work has not been the subject of a full length interpretive literary analysis until now. In *Edwidge Danticat: The Haitian Diasporic Imaginary*, Nadège Clitandre offers a comprehensive analysis of Danticat's exploration of the dialogic relationship between nation and diaspora. Clitandre argues that Danticat moving between novels, short stories, and essays articulates a diasporic consciousness that acts as a form of social, political, and cultural transformation at the local and global level. Using the echo trope to approach Danticat's narratives and subjects, Clitandre effectively navigates between the reality of diaspora and imaginative opportunities that diasporas produce. Ultimately, Clitandre calls for a reconstitution of nation through a diasporic imaginary that informs the way people who have experienced displacement view the world and imagine a more diverse, interconnected, and just future.

### **Duvalier's Ghosts**

Jana Evans Braziel, 2017-05-24. Urgently pursues those nameless ghosts of Haitians lost in the liminal space of the Black Atlantic. *New West Indian Guide* Foregrounds the experiences of refugees, particularly those refused asylum and detained in camps, the political mobilization of the diaspora in the United States, the ramifications of the policies and adjustment programmes imposed on Haiti by the World Bank, the International Monetary Fund, and USAID. *Bulletin of Latin American Research* Theoretically sound and well researched, Braziel has written a compelling book on the literatures of post-Duvalier Haiti. Millery Polyne, New York University. A very original study, a tour de force that crisscrosses the disciplinary boundaries typically separating the social sciences and the humanities. It is richly researched, beautifully written, and will surely attract much critical attention and praise. Valerie Kaussen, University of Missouri. From a position of urgent political engagement, this provocative book offers novel and compelling interpretations of several well-known Haitian-born authors, particularly regarding U.S. intervention in their homeland. Drawing on the diasporic cultural texts of several authors, such as Edwidge Danticat and Dany Laferrière, Jana Evans Braziel examines how writers participate in transnational movements for global social justice. In their fictional works, they discuss the United States' many interventionist methods in Haiti, including surveillance, foreign aid, and military assistance. Through their work, they reveal that the majority of Haitians do not welcome these intrusions and actively criticize U.S. treatment of Haitians in both countries. Braziel encourages us to analyze the instability and violence of small nations like Haiti within the larger frame of international financial and military institutions and forms of imperialism. She forcefully argues that by reading these works as anti-imperialist, much can be learned about why Haitians and Haitian exiles often have negative perceptions of the U.S.

**Study Guide** SuperSummary, 2019-02-17. SuperSummary is a modern alternative to SparkNotes and CliffsNotes offers high quality study guides for challenging works of literature.
