The Glad River:

The Glad River Will D. Campbell, 1998 Of Fiction and Faith W. Dale Brown, 1997 *Of Fiction and Faith* features personal interviews with twelve of America's most significant writers interviews which provide a window into the personal and literary lives of writers with special focus on their attitudes towards issues of faith Will Campbell Merrill M. Hawkins, 1997 These endeavors involved an expanded interest beyond civil rights for African Americans in an effort to have a comprehensive approach to all human suffering This broadened awareness included concern for the poor whites of the South as well as other victims including such different groups as prisoners and women as discriminated minorities BOOK JACKET Campbell is also known for his writings both fiction and non fiction BOOK JACKET *God Is Still Speaking* Stillspeaking Writers' Group, 2024-10-15 A Year of Reflection *God is still speaking* started as an advertising slogan for the United Church of Christ but more than 20 years later it endures as a faith proclamation *God is still speaking* in the Bible but also through the arts in the sciences and in the struggles for justice *God is still speaking* because the world is still evolving *God is still speaking* and *God isn't finished with us yet* *God is still speaking* so we should keep engaging our faith with curiosity wonder and even playfulness If you wonder whether *God* has anything to say in these tumultuous times if your faith is feeling stuck or finding itself in unknown territory if you think devotional books are sappy or pious or irrelevant *God Is Still Speaking* will give your spirit a *God* filled jolt Each devotional begins with scripture ends with prayer and brings bold encouragement to your day *God is Still Speaking 365 Daily Devotionals* is a collection of wondering provocative and playful reflections for the person who thinks devotional books are too pious Spend 365 days immersed in the affirmation *God is still speaking* **The King of the Golden River** John Ruskin, 1898 **The Christ-Haunted Landscape** Susan Ketchin, 2009-11-12 Here are Susan Ketchin's discerning interviews with twelve southerners living and writing in the South and along with a piece of fiction by each are her penetrating commentaries about the impact of southern religious experience on their work A little more than a generation ago Flannery O'Connor made a startling observation about herself and her fellow southerners By and large she said people in the South still conceive of humanity in theological terms While the South is hardly Christ centered it is most certainly Christ haunted The southerner who isn't convinced of it is very much afraid that he may have been formed in the image and likeness of *God* Guided by O'Connor's perceptive commentary about southerners in general Susan Ketchin has created a deeply revealing collection that mirrors the pervasive role of religion in the literature by the recent generation of notable southern writers Ketchin confirms that old time religion remains a potent force in the literature of the contemporary South The Glad River Will Campbell, 1986-04 No one in Claughton County understood why Doops Momber refused to be baptized his people were all good Baptists And no one in Cummings Mississippi knew that Kingston Smylie's daddy was really his granddaddy and that Kingston wasn't white And at Camp Polk no one knew anything at all about Fordache Arceneau because he spoke only Cajun which is what he was These met in basic training and formed a community

of three they called the neighborhood They fought together on Guadalcanal and then went back to the lives they had known before World War II Doops was still adamant about not being baptized claiming there weren't any real Baptists left to do the job Then Fordache was accused of a brutal murder and the neighborhood bound by love and based on understanding faced its ultimate test in a small southern courtroom in 1952 The Humbler Poets Slason Thompson,1886 *Encyclopedia of Religion in the South* Samuel S. Hill,Charles H. Lippy,Charles Reagan Wilson,2005 The publication of the Encyclopedia of Religion in the South in 1984 signaled the rise in the scholarly interest in the study of Religion in the South Religion has always been part of the cultural heritage of that region but scholarly investigation had been sporadic Since the original publication of the ERS however the South has changed significantly in that Christianity is no longer the primary religion observed Other religions like Judaism Buddhism and Hinduism have begun to have very important voices in Southern life This one volume reference the only one of its kind takes this expansion into consideration by updating older relevant articles and by adding new ones After more than 20 years the only reference book in the field of the Religion in the South has been totally revised and updated Each article has been updated and bibliography has been expanded The ERS has also been expanded to include more than sixty new articles on Religion in the South New articles have been added on such topics as Elvis Presley Appalachian Music Buddhism Bill Clinton Jerry Falwell Fannie Lou Hamer Zora Neale Hurston Stonewall Jackson Popular Religion Pat Robertson the PTL Sports and Religion in the South theme parks and much more This is an indispensable resource for anyone interested in the South religion or cultural history Conversations with Will D. Campbell Tom Royals,2018-03-29 Conversations with Will D Campbell is the first collection of interviews with the southern preacher activist and author best known for his involvement with the civil rights movement Ranging from a 1971 discussion about religion and ending with a previously unpublished interview conducted in 2009 these twelve interviews give insight to Campbell's unique religious beliefs and highlight pivotal moments of his career Will D Campbell 1924 2013 was born poor in rural Mississippi and became an ordained minister when he was barely seventeen years old After serving in the Army during World War II Campbell ministered in a variety of positions including a pastorate in Louisiana as religious director at the University of Mississippi and as a race relations consultant for the National Council of Churches Along the way Campbell worked with civil rights figures Klansmen Black Panthers and country music icons believing all were equal in the eyes of God Throughout his career Campbell drew attention for criticizing the institutional churches and supporting women's rights gay rights and school desegregation From 1962 through 2012 Campbell published over fifteen books including novels biographies and memoirs His first book Race and the Renewal of the Church introduced his theories of reconciliation and the failures of institutional churches His best known work Brother to a Dragonfly was a National Book Award finalist Wyrms Orson Scott Card,2003-04-05 A New York Times Best Book of the Year From the New York Times bestselling author of Ender's Shadow comes Orson Scott Card's standalone Wyrms The sphere is alien in origin but has been controlled by man for
