## **The Godhead:**

**The Trinity of the Godhead** Torbjorn Fjellstrom, 2025-11-21 The Trinity of the Godhead not only elucidates the basics of Vedic thought but also offers a tempting dose of Vaishnava esoterica as well. Consequently what we have here is a delectable introduction to the worship of Krishna especially as found at the feet of the author's masters Swami Bhavayananda Walther Eidlitz Vamandas Swami Sadananda Krishnadas Madrasibaba Haripada Bengalibaba and Krishnadas Sastri God and the Mathematics of Infinity H. Chris Ransford, 2017-03-28 Drawing on the science and mathematics of infinity H. Chris Ransford analyzes the traditional concept of godhood and reaches surprising conclusions. He addresses humankind's abiding core debate on the meaning of spirituality and God. Using mathematics he explores key questions within this debate for instance why does evil exist if there is a God. The book fastidiously does not take sides nor proffers opinions; it only follows allowable mathematics wherever it leads. By doing so it makes a major contribution to an understanding of the nature of reality. **The Ages of the World** Friedrich Wilhelm Joseph Von Schelling, 2000-01-01 Schelling's never completed masterpiece translated here with an introduction covering Schelling's life, other works, and a brief analysis of *The Ages of the World* by Wirth philosophy. Ogelthorpe U. explores the question of time as the relationship between poetry and philosophy. Contemporary philosophers herald this work as a predecessor to the modern debates about postmodernity and the limits of dialectical thinking. **The Thirty-nine Articles and the Creeds: Their Sense and Their Non-sense. By a Country Parson** Church of England, 1870 **The Place of Christ in Modern Theology** Andrew Martin Fairbairn, 1894 The Female Mystic Andrea Janelle Dickens, 2009-05-30 The Middle Ages saw a flourishing of mysticism that was astonishing for its richness and distinctiveness. The medieval period was unlike any other period of Christianity in producing people who frequently claimed visions of Christ and Mary, uttered prophecies, gave voice to ecstatic experiences, recited poems and songs said to emanate directly from God, and changed their ways of life as a result of these special revelations. Many recipients of these alleged divine gifts were women. Yet the female contribution to western Europe's intellectual and religious development is still not well understood. Popular or lay religion has been overshadowed by academic theology, which was predominantly the theology of men. This timely book rectifies the neglect by examining a number of women whose lives exemplify traditions which were central to medieval theology but whose contributions have tended to be dismissed as merely spiritual by today's scholars. In their different ways, visionaries like Richeldis de Faverches, founder of the Holy House at Walsingham or England's Nazareth, the learned Hildegard of Bingen, Hadewijch of Brabant, exemplary voice of the Beguine tradition of love mysticism, charismatic traveller and pilgrim Margery Kempe, and anchoress Julian of Norwich, all challenged traditional male scholastic theology. Designed for the use of undergraduate student and general reader alike, this attractive survey provides an introduction to thirteen remarkable women and sets their ideas in context. A System of Biblical Psychology Franz Delitzsch, 1899 **The Godhead** Elwin Shull, What is the biblical truth of the Godhead? This study examines the Godhead

God the Father God the Son and God the Holy Spirit This unchanging Trinity is one in thought in character and in purpose Ultimately the Godhead is LOVE giving redemption and salvation to any and all who have departed from this love and law of love if they truly desire it This free gift of forgiveness and salvation cost the Godhead more than we could ever imagine They created the universe and everything in it yet would allow a part of themselves to be crucified and die for even one of us In this book the author strives to share WHO the Godhead is WHAT they do and HOW very much they love us and want us ALL to be saved

Who's Paying Attention? Kenneth Stanford, 2022-11-03 The title Who s Paying Attention focuses on my quest to personally know the God of All Creation and subsequently over the years to aEURoeget to gripsaEUR with the contents of aEURoethe BibleaEUR the way God would want mankind to understand them Included in the title logic is the use of specific help aids in the form of Bibles dictionaries atlases etc and not forgetting prayer to God the Father of Jesus of Nazareth who was my most important help aid as generically speaking the Bible is not an easy book to understand Who s Paying Attention contains some of my findings which I can say with confidence that I received divine enlightenment from God otherwise I would have remained none the wiseraEUR even after surfing much topical literature In a nutshell the answer to the title of this book requires that any passionately interested Bible student must adopt a role of a focused detective and at the same time rely on God through reverential prayeraEUR for divine help to solve unclear or confusing sections of Scripture It is on this basis that Who s Paying Attention became the prelude to Watchman Watchman What of the Night aEUR my second book which further demonstrates the essential reliance on God for divine enlightenment in the Scriptures rather than skewing the approach towards man and available literature in order to obtain aEUR oea correct answer aEUR Notwithstanding the above we all still have much to learn about the Bible and the members of the GodheadaEUR who were instrumental in making the Bible a reality
