Catherine Carswell Jan Pilditch, 2007 Her Life of Robert Burns produced a furore in Scottish newspapers for its depiction of a man rather than a legend and her biography of D H Lawrence The Savage Pilgrimage was withdrawn amid threats of legal action As a working journalist she knew many of the great literary figures of her day in Scotland England and America She worked with the Irishman William Fay to write a history of the Abbey Theatre and was the lifelong friend of the novelist D H Lawrence remaining his supporter throughout his battles with British censorship As an Edwardian Catherine Carswell was heir to Glasgow s nineteenth century its godliness its realism its modernity and its sentimentality As a well travelled twentieth century woman who lived in London from 1910 she visited Italy Germany France and met most of Stalin s cabinet in pre war Russia She was rebellious determined intellectual and no stranger to conflict Jan Pilditch s vivid account of her life tells us much about women and their writing in the early years of the twentieth century Womanspeak ,1986

Books and Bookmen ,1984 **Janeites** Deidre Lynch, 2020-07-21 Over the last decade as Jane Austen has moved center stage in our culture onto best seller lists and into movie houses another figure has slipped into the spotlight alongside her This is the Janeite the zealous reader and fan whose devotion to the novels has been frequently invoked and often derided by the critical establishment Jane Austen has long been considered part of a great literary tradition even legitimizing the academic study of novels However the Janeite phenomenon has not until now aroused the curiosity of scholars interested in the politics of culture Rather than lament the fact that Austen today shares the headlines with her readers the contributors to this collection inquire into why this is the case ask what Janeites do and explore the myriad appropriations of Austen adaptations reviews rewritings and appreciations that have been produced since her lifetime The articles move from the nineteenth century lending library to the modern cineplex and discuss how novelists as diverse as Cooper Woolf James and Kipling have claimed or repudiated their Austenian inheritance As case studies in reception history they pose new questions of long loved novels as well as new questions about Austen s relation to Englishness about the boundaries between elite and popular cultures and amateur and professional readerships and about the cultural work performed by the realist novel and the marriage plot The contributors are Barbara M Benedict Mary A Favret Susan Fraiman William Galperin Claudia L Johnson Deidre Lynch Mary Ann O Farrell Roger Sales Katie Trumpener and Clara Tuite **Book History** Ezra
