The Campaign Of The Cataracts:

The Campaign of the Cataracts Sir William Francis Butler, 1887 *CAMPAIGN OF THE CATARACTS* William Francis Butler, 1838-1910, 2016-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. [The Campaign of the Cataracts](#) Sir William Francis Butler, 1887 **The Campaign of the Cataracts (Expanded, Annotated)** Sir William Francis Butler, 2020-03-03 In one of the great true adventures of the 19th century a British Army corps made a daring dash up the Nile in 1884-85 to rescue General Gordon of Khartoum in that besieged city. Hastily assembled but determined on their goal, they fought time, the legendary Nile cataracts rapids, punishing heat, sandstorms, and Arab tribesmen. In this vivid and exciting account by one of the officers in command, you'll get a taste of what the troopers endured over months of desperate struggle. Sir William Butler was a writer renowned for his ability to capture events, and this is one of his most personal accounts. Ride along with Butler as he tells of setbacks, the loss of friends, and the ultimate outcome of their fantastic mission to save Gordon. **The Campaign of the Cataracts** Sir William Francis Butler, 1887 **The Campaigns and History of the Royal Irish Regiment** George Le Mesurier Gretton, Stannus Geoghegan, 1911 **The Bookseller and the Stationery Trades' Journal**, 1887 Official organ of the book trade of the United Kingdom **The Second Cataract Fortress of Dorginarti** Lisa A Heidorn, 2023-04-10 The best known sites along the length of the Nile River's Second Cataract are the ruins of Egyptian towns and fortresses occupied during the Old Middle and New Kingdoms. One of the fortresses in the Second Cataract region, Dorginarti, existed in a later era than the better known Middle and New Kingdom forts. The earliest ceramics found at the site date from the later tenth or early ninth century BC, and those from a later occupation stem from the early eighth century. The latest phase of occupation did not extend far beyond the first phase of Persian dominance in Egypt, beginning in the last quarter of the sixth century BC. This volume is the final report of the emergency excavations undertaken at Dorginarti for five months in 1964 by the University of Chicago's Institute for the Study of Ancient Cultures as part of the UNESCO Nubian salvage project necessitated by the building of the Aswan High Dam. Following a description of the fortress's landscape and resources, the book describes Dorginarti's

architecture in detail and then presents the selection of artifacts brought back from the Sudan and stored in the ISAC Museum The picture that emerges from the archaeological record shows the continuing importance of Lower Nubia after the withdrawal of Egyptian control in the late second millennium BC and before the rise of the Kushite empire in the Twenty Fifth Dynasty
