## **The Captives A Novel:**

*The Captives* ,1929    [The Captives](#) Hugh Walpole,1926    [CAPTIVES, HUGH. WALPOLE,2018](#)    *The Captives; a Novel in Four Parts* HardPress, Hugh Walpole, Sir,2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy    **The Captives** Debra Jo Immergut,2018-06-05 A Recommended Summer Read from Vanity Fair New York Post BBC The riveting story of a woman convicted of a brutal crime the prison psychologist who recognizes her as his high school crush and the charged reunion that sets off an astonishing chain of events with dangerous consequences for both As an inmate psychologist at a state prison Frank Lundquist has had his fair share of surprises But nothing could possibly prepare him for the day in which his high school object of desire Miranda Greene walks into his office for an appointment Still reeling from the scandal that cost him his Manhattan private practice and landed him in his unglamorous job at Milford Basin Correctional Facility in the first place Frank knows he has an ethical duty to reassign Miranda s case But Miranda is just as beguiling as ever and he s insatiably curious how did a beautiful high school sprinter and the promising daughter of a congressman end up incarcerated for a shocking crime Even more compelling though Frank remembers every word Miranda ever spoke to him she gives no indication of having any idea who he is Inside the prison walls Miranda is desperate and despairing haunted by memories of a childhood tragedy grappling with a family legacy of dodgy moral and political choices and still trying to unwind the disastrous love that led to her downfall And yet she is also grittily determined to retain some control over her fate Frank quickly becomes a potent hope for her absolution and maybe even her escape Propulsive and psychologically astute The Captives is an intimate and gripping meditation on freedom and risk male and female power and the urges toward both corruption and redemption that dwell in us all    **The captives : a novel in four parts** Hugh Walpole (Sir),    **The Captives** Hugh Walpole,2022-08-10 In The Captives Hugh Walpole crafts a poignant narrative that explores the intricacies of human relationships and the struggle for personal freedom amidst societal constraints Set against the backdrop of early 20th century Europe the novel intertwines themes of love captivity and the search for identity Walpole s rich lyrical writing style accentuates the emotional depth of his characters presenting a vivid portrayal of their internal and external conflicts ultimately revealing how one s circumstances can shape their destiny Hugh Walpole a prominent English novelist of his time was deeply influenced by his own experiences and the tumult of the world around him Born in 1884 Walpole s literary career blossomed against the backdrop of significant historical events including two World Wars and shifting social landscapes His acute awareness of the fragility of human existence coupled with his fascination for the darker aspects of life is remarkably evident in The Captives making it a

reflective examination of the human condition This masterful work is highly recommended for readers who appreciate literary fiction that delves into the complexities of the human psyche Walpole's keen insights and evocative prose make *The Captives* not only a compelling read but also a thought provoking exploration of the themes of love and entrapment solidifying its place in the canon of great literature [The Captives](#) Michael Fisher,1970-01 *Captivity Literature and the Environment* Kyhl Lyndgaard,2016-08-12 In his study of captivity narratives Kyhl Lyndgaard argues that these accounts have influenced land use policy and environmental attitudes at the same time that they reveal the complex relationship between ethnicity landscape and authorship In connecting these themes Lyndgaard offers readers an alternative environmental literature one that is dependent on an understanding of nature as home rather than as a place of temporary retreat He examines three captivity narratives written in the 1820s and 1830s *A Narrative of the Life of Mrs Mary Jemison* *The Captivity and Adventures of John Tanner* and *Life of Black Hawk* all of which engage with the Jacksonian policy of Indian removal and resist tropes of the so called Vanishing Indian As Lyndgaard shows the authors and the editors with whom they collaborated often saw their stories as a plea for environmental and social justice At the same time audiences have embraced them for their vision of a more inclusive and less exploitative American society than was proffered by the rhetoric of Manifest Destiny Their legacy is that while environmental and social justice has been slow in fulfilment their continued popularity testifies to the fact that the struggle for justice has never been ceded [Shame and the Captives](#) Thomas Keneally,2014-04-10 On the edge of a small Australian town far from the battlefields of the Second World War a camp holds thousands of Japanese Italian and Korean prisoners of war The locals are unsure how to treat the enemy though Alice Herman whose young husband is himself a prisoner in Europe becomes drawn to the Italian soldier sent to work on her father in law's farm The camp commander and his deputy each concealing a troubled private life are disunited And both fatally misread their Japanese captives who burn with shame at being taken alive The stage is set for a clash of cultures that has explosive far reaching consequences **[The Captives - Volume I \(Esprios Classics\)](#)** Hugh Walpole,2022-04-13 Sir Hugh Seymour Walpole CBE 13 March 1884 1 June 1941 was an English novelist He was the son of an Anglican clergyman intended for a career in the church but drawn instead to writing Among those who encouraged him were the authors Henry James and Arnold Bennett His skill at scene setting and vivid plots as well as his high profile as a lecturer brought him a large readership in the United Kingdom and North America He was a best selling author in the 1920s and 1930s but has been largely neglected since his death After his first novel *The Wooden Horse* in 1909 Walpole wrote prolifically producing at least one book every year He was a spontaneous story teller writing quickly to get all his ideas on paper seldom revising **[The Captives, Vol. 1 of 4](#)** Hugh Walpole,2017-09-16 Excerpt from *The Captives* Vol 1 of 4 A Novel in Four Parts He had been told on many occasions about his heart that he must not excite nor strain it He allowed that to pass as he allowed many other things because his imagination was fixed upon one ambition and one alone He had made upon this last and fatal occasion haste to find his collar

because the bell had begun its Evensong clatter and he did not wish to night to be late The bell continued to ring and he lay his broad widespread length upon the oor He was a large and dirty man About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **Houses, Castles and Holy Circles. Concepts of Captivity in Bram Stoker's "Dracula"** Thomas Akehurst,2022-05-12 Seminar

paper from the year 2021 in the subject English Language and Literature Studies Literature grade 1 0 University of Duisburg Essen Anglistik course The Empire as Horror Imperial Gothic language English abstract Bram Stoker s novel Dracula is known and read all over the world ever since it was first published 1987 It is regarded as a classic work of horror literature and as such has attracted the attention of many scholars and students in the field of literary studies As with many other canonical books one reason for the novel s popularity lies in the number of possible interpretations But even though the possibilities are many over the years certain readings have come to dominate the discourse This paper aims for a reading of Dracula that is less common The focus in the following chapters lies on the concepts of captivity presented in the novel Their content is meant to answer the following questions How is captivity explored as a literary concept or device How is it framed in the larger context of the narrative Is there more to captivity as a concept in the novel than literal imprisonment     The Oxford Handbook of Early American Literature Kevin J. Hayes,2008-02-06 Organized primarily in terms of genre this handbook includes original research on key concepts as well as analysis of interesting texts from throughout colonial America Separate chapters are devoted to literary genres of great importance at the time of their composition that have been neglected in recent decades     *The Captives* ,2014-02-12 Curtis s parents have been missing for two years They said they would come back For all anyone knows they could be dead It s funny how everything you knew could change at the snap of your fingers     *The Captives* ,1833     *The History of the Hebrew Nation, and Its Literature* Samuel Sharpe,1876

British Museum Catalogue of printed Books ,1885     **Current Literature** ,1888     **Current Literature** Edward Jewitt Wheeler,1888
