The Dark Door:

The Dark Door Lisa Unger,2022-12-06 A horror writer s death leaves his daughter haunted by voices in this short story by the New York Times bestselling author of Secluded Cabin Sleeps Six Pip Duke s life has descended into chaos following the death of her father a bestselling horror writer She now hears voices all the time saying troubling things like Your father s friends and family are after his money or you shouldinherit everything The voices also say she killed her dad and the police are after her To silence these disturbing thoughts Pip checks herself into an inpatient therapy center However the place is far from calming She can t trust the staff and the voices in her head continue to say terrible things There are those who want you released only so they can continue to profit off your father s name A different voice says some wish to claim her inheritance by getting her declared insane If Pip hopes to ever know peace again she must explore the depths of her psyche

sort through her memories and unravel the secret that will be her key to freedom Praise for Lisa Unger Our most inventive suspense author J T Ellison New York Times bestselling author of Her Dark Lies The premiere thriller writer Megan Abbott bestselling author of The Turnout Lisa Unger writes with compassion and deep psychological insights Luanne Rice New York Times bestselling author of The Shadow Box *The Dark Door* Alan E. Nourse,2016-03-10 It was almost dark when he awoke and lay on the bed motionless and trembling his heart sinking in the knowledge that he should never have slept For almost half a minute eyes wide with fear he lay in the silence of the gloomy room straining to hear some sound some indication of their presence But the only sound was the barely audible hum of his wrist watch and the dismal splatter of raindrops on the cobbled street outside There was no sound to feed his fear yet he knew then without a flicker of doubt that they were going to kill him *The Dark Door* European P. Douglas,2020-04-27 Covering up a murder can be Hell When Aideen Darker realizes she stands before a recently murdered man with wads of cash on him she has two options Call the police or pocket the money and dispose of the body she chose the wrong option Guilt and sleepless nights begin to take their toll on her sanity What she see s at night while her husband sleeps soundly can t be real can it Her bruises aches and pains the next day say otherwise And what of the thin cracks forming in the living room wall starting to look like the frame of a door What indeed Buy now to enter a world of horror through the Dark Door *The Dark Door* Maurice Collis,1940

Remembering with Emotion in Dynamic Psychotherapy

Steven B. Sandler, 2011-06-10 This book takes a new look at dynamic psychotherapy from its most basic theory to the furthest limits of its capabilities. It invites the reader to re-examine a few of the most basic concepts underlying the practice of psychotherapy. What is emotion? What is a defense mechanism? It begins with emotion theory, an area of academic study that has traditionally been neglected in psychotherapy training programs. Throughout the book, it is argued that the patient's experience of emotion is critical for a successful outcome in therapy and that the therapist's understanding of emotion will provide a solid theoretical foundation for practice. Attachment theory is also used extensively throughout the book. Case examples offer interventions that are designed to translate the theory into practical applications. In the middle chapters of the book, these basic ideas—emotion theory and attachment theory—are applied in an extended case example using ample segments of verbatim dialogue. Memory theory is used to explain some of the treatment failures in dynamic psychotherapy. Memory theory can lead to a revised approach that provides more durable outcomes. Dynamic psychotherapy has largely been a therapy of bad memories; therefore, a systematic approach to focusing on positive memories of early attachment experiences is outlined. We must not only help the patient to face negative memories of his past; we must also help revive and strengthen positive memories until they have trace dominance over negative ones. Finally, the possibility that dynamic psychotherapy can lead to spiritual growth is explored. Early parent-child experiences of oneness can serve as the developmental precursors of the spiritual experience. Some of the child development literature, including Mahler's notion of symbiosis, is reviewed. Some preliminary work with patients is presented in which they are invited to broaden their new emotional connection with a parent and others until it leads to a greater sense of spiritual connection and...
[FOLLOW THE SILENCE: poems of passion and conscience Vol. 2](#) Charles Edward York, 2018-04-14 FOLLOW THE SILENCE poems of passion and conscience Vol. 2 explores life, faith, nature, death, war, more. This volume is the second half of his complete work of poetry of 770 poems.

[The Dark Door](#) Lisa Unger, 2022-12-08 The exciting new title in the Death Sentences series of mysteries set in the world

of books Lisa Unger explores themes of grief loss and mental health in this thrilling novella. In the weeks after the death of her father, bestselling horror writer Rene Duke, Pip Duke's inner demons have become too much to bear. She hears voices constantly babbling and contradicting each other from one moment to the next. One voice tells her she deserves to inherit everything from her father's estate; another says she's guilty of his death. One voice tells her that the people with whom her father surrounded himself are nothing but vultures out for his rare book collection and immense wealth; another says the cops suspect her of his murder. Overwhelmed by uncontrollable thoughts, Pip has checked herself into Sheltering Oaks, an in-patient therapy center, but the staff there is every bit as suspicious and untrustworthy as the people she hoped to escape. Some people would prefer she stayed in the hospital indefinitely since her mental incapacity could serve as grounds for relinquishing her inheritance; others, her father's publishers for example, want Pip released as soon as possible to lend credibility to the lost manuscripts they hope to produce to keep the cash from the Duke franchise rolling in. In order to separate the truth from all those whispering lies, Pip will have to untangle her most sordid memories and unlock the dark door in her psyche; only then will she discover long-buried secrets capable of freeing her from her past once and for all.
