## **The Dark Side Of Desire:**

**The Dark Side of Desire** Michelle Reid, 1991-01-01      **The Dark Side of Desire** Julia James, 2012-06-19 English rose Flavia Lassiter has never been comfortable in her father's glitzy world. Summoned to yet another of his ostentatiously lavish parties, she finds that her one order is to be nice to a wealthy investor. Her body may be on offer, but she shields her heart behind an icy shell. Leon Maranz emanates a dark power that sends shivers through her body, threatening to shatter her frosty facade. To let the self-made billionaire bed her would be to do her unscrupulous father's bidding. But to turn Leon down would be to deny her body's deepest desires.      **THE DARK SIDE OF DESIRE**, 2019-08-01 Their fun summer together ended, and Jay went abroad to study. Eighteen-year-old Rebecca believed Jay when he told her they'd get married when he returned home in a year. But when she sent a letter informing him of her pregnancy and asking for his help, she was heartlessly accused of lying in an attempt to blackmail his distinguished family. Ten years later, she finds a notice in the newspaper looking for her because her mother has fallen ill. She returns to her hometown, and Jay, a man she never thought she would see again, appears in front of her. He looks at her with the same passionate gaze he had in the past, and he's acting as though he never hurt her.      **The Dark Side of the Soul** Stephen Cherry, 2016-02-25 In *The Dark Side of the Soul*, the author explains and illustrates the Seven Deadly Sins with contemporary examples. Sin is an old-fashioned word for some startlingly contemporary problems. Far from being about trivial naughtiness or seedy self-indulgence, it's about the financial scandals that have rocked our world and most of the ills that beset us today. In clear and accessible language, Cherry shows that the traditional Christian concept of sin is a vital tool in understanding what is wrong with human beings. Far from leading people into a guilt trap, sin is a healthy and truthful word that can help to set us free. Human beings are neither intrinsically evil nor congenitally inclined to virtue, but many of the problems and predicaments that trouble us today can be better understood and more effectively resolved if their deeper roots are taken into account. In this fresh interpretation, the author shows that, for example, our economic problems and our fixation on financial criteria in decision-making can be understood through the twin lenses of avarice and lust. Our obsessive busyness is a manifestation of sloth, and our desire to control and our perfectionism are outworkings of spiritual pride. Crucially, although sin is an important and necessary word for people to understand and come to terms with, it is never in the Christian worldview the last word.      *The Path of Desire* Hugh B. Urban, 2024-03-27 A provocative study of contemporary Tantra as a dynamic living tradition. Tantra, one of the most important religious currents in South Asia, is often misrepresented as little more than ritualized sex. Through a mixture of ethnography and history, Hugh B. Urban reveals a dynamic living tradition behind the sensationalist stories. Urban shows that Tantric desire goes beyond the erotic, encompassing such quotidian experiences as childbearing and healing. He traces these holistic desires through a series of unique practices: institutional Tantra centered on gurus and esoteric rituals; public Tantra marked by performance and festival; folk Tantra focused on magic and personal well-being; and popular Tantra imagined in

fiction film and digital media The result is a provocative new description of Hindu Tantra that challenges us to approach religion as something always entwined with politics and culture thoroughly entangled with ordinary needs and desires
