## **The Darkness And The Light:**

*Angel in the Sun* Gerald Finley, 1999-03-10 Turner was deeply affected by the world in which he lived the sciences that explained it and the conflicts and accomplishments of his society He wove these strands into the dense fabric of the historical pictures he created pictures that were extremely varied complex original and controversial In *Angel in the Sun* Gerald Finley untangles the various thematic strands running through Turner's art including the intersection of private and public histories classical and biblical history and contemporary events and science and religion and shows how Turner's use of light and colour played an important role in conveying these ideas *Angel in the Sun* includes over 130 illustrations in colour and black and white that reveal Turner's remarkable achievement as a painter of historical subjects Because of its interdisciplinary nature the book will appeal not only to art historians and landscape theorists but also to historians of science and literature

**Matthew Henry's Commentary on the Whole Bible: Volume V-III - John** Matthew Henry, [Morning and Evening Meditations from the Word of God](#) Michael J. Akers, 2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God [John Verse by Verse](#) Grant R. Osborne, 2018-05-02 John is at once the most complex and the easiest to understand of all the Gospels If we want a young seeker or new believer to read something that is both clear and filled with the gospel and good basic theology we give them the Gospel of John And if we want to study an incredibly deep theological masterpiece that stretches the brightest mind we open the Gospel of John It is the most evangelistic account of Jesus life and ministry and it also gives the mature Christian deep theological truths to chew on In *John Verse by Verse* respected New Testament scholar Grant R Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel He writes If I were teaching a course in college or seminary on creative writing John's Gospel would be set alongside Shakespeare as models of brilliant characterization and plot It is perhaps Osborne's favorite book of the Bible and enthusiasm for it shines on every page The Osborne New Testament Commentaries by respected professor and author Grant R Osborne are for people seeking a straightforward explanation of the text in its context avoiding either oversimplification or technical complexity Osborne brings out the riches of the New Testament making each book accessible for pastors and all who consider themselves students of Scripture [Church And Grace Age: Theological Explanation of State of Church, Nations, and the Cosmos at End Times](#) Plamoottil V. Cherian Ph. D, 2024-06-05 From a thorough understanding of the human history from a Biblical perspective and knowledge in science and theology

author Plammoottil Cherian elucidates a vivid picture of the current state of the Christendom under the power of secularism atheism and apostasy in a confused and chaotic world The Church is at the crossroads of confusion losing its power in spreading the Gospel at a time when it is most needed The Book in five separate parts describes Who is true God the foundation of Church and God s religion What the mission of the Church is Church and nations are living in an Age of Delusion and a generation of compromised Christians Apostacy is on the rise and Church without Christ like in Laodicea Global Unhappiness because God is on the sidelines There is perfect harmony between science and Christian faith The world has been experiencing the bowls of wrath of God Nations morally deteriorate by the spiritual blindness of leaders of Church and State Humanity has been experiencing the hoofbeats of the four horses in the Book of Revelation The nations and Church are in the state of Mene Mene Tekel Upharsin The Babylons of the world nations are about to fall unless aligned with God The Grace Age is ending soon as scientific evidence proves the Biblical prophecies The pressing need of the Church is to prepare believers for Christ s Second Coming As a scientists and theologian Dr Cherian analyzes the present world culture and explains the Biblical prophecies that we are at the threshold of Church that lost the faith and calls church and nation s leaders to realign with God for his guidance and continued blessings
