## **The Demon Headmaster Strikes Again:**

*The Demon Headmaster Strikes Again* Gillian Cross, 2012-04-19 Dinah Lloyd and Harvey hoped they'd seen the last of the Demon Headmaster when they moved to a new village. However, almost immediately they can tell something's not right about the place. There's a loud buzzing noise coming from the biogenetic research centre and a creeper that grows extraordinarily fast. Why are the security guards so scary? And why does everybody in the village use exactly the same words to describe the research centre? Dinah becomes even more suspicious when someone pretending to be a doctor comes to their house and manages to trick them into giving DNA samples. With the help of their new friend Simon, the children investigate and find a way into the building. Inside they discover a huge egg. Hatching from it is the result of an experiment conducted using Dinah's DNA, an experiment that is the work of the Demon Headmaster. This time he's determined that no one will stand in the way of his plans; this will be greatly enjoyed. Books for Keeps

An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present. **The Great Elephant Chase** Gillian Cross, 2004 When the elephant came to town, Tad and Cissie went to the show like everyone else. Little did they know it would change their lives forever. Because of the elephant, Tad and Cissie get involved in a chase across America by train, by flatboat, and steam boat. Close behind is Hannibal Jackson, who is determined to have the elephant for himself. And how do you hide a large Indian elephant? BL This book was the winner of the Whitbread Children's Novel Award and the Smarties Prize. Gillian Cross has also won the Carnegie Medal and is a highly acclaimed author.

[Talking Books](#) James Carter, 2013-01-11 Talking Books sets out to show how some of the leading children's authors of the day respond to these and other similar questions. The authors featured are Neil Ardley, Ian Beck, Helen Cresswell, Gillian Cross, Terry Deary, Berlie Doherty, Alan Durant, Brian Moses, Philip Pullman, Celia Rees, Norman Silver, Jacqueline Wilson, and Benjamin Zephaniah. They discuss with great enthusiasm their childhood reading habits, how they came to be published, how they write on a daily basis, how a particular book came together, a type of writing that they are especially known for. Through in-depth interviews, they each reveal their approach to their craft. Much is known

and spoken of the product that is the children's book but it is rare that writers are given the opportunity to talk at length about the process of writing for children Talking Books redresses the balance by presenting a wide selection of authors of fiction non-fiction and poetry reflecting upon the joys and challenges of the craft creativity and process of writing for children
