Staniland Wake, 2015-06-05 Excerpt from *The Development of Marriage and Kinship* In the preface to *The Evolution of Morality* published in 1878 reasons were given for dealing only incidentally in that work with sexual morality The justification for the course then pursued is to be found in the present volume which could not then have been written although the second edition of Dr J F M Lennan's *Primitive Marriage* had appeared in 1876 with certain additions under the title of *Studies in Ancient History* and in 1877 had been published Dr Lewis H Morgan's *Ancient Society* which severely criticised Dr M Lennan's views It was not until the appearance in 1880 of the result of the enquiries made by the Rev Lorimer Fison and Mr A W Howitt into the system of marriage and relationship in use among the aborigines of Australia under the title of *Kamilaroi and Kurnai* that a serious attempt to deal with the whole subject of sexual morality was possible Such an attempt is made by the present work during the preparation of which I have had the advantage of corresponding with Mr Fison with reference to the Australian system and I have to thank him and Mr Howitt for their ready consent to my making use of information received from them If Dr J F M Lennan had lived however this work might not have appeared About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Development of Marriage and Kinship*, by C. thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p A History of Marriage and the Family Willystine Goodsell,1935 *Studies in Ancient History, Comprising a Reprint of Primitive Marriage* John Ferguson McLennan,1886 **The Development of Marriage and Kinship - Primary Source Edition** Charles Staniland Wake,2013-11 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book
