The Devious Dr Franklin Colonial Agent Benjamin Franklins Years In London:

The Devious Dr. Franklin, Colonial Agent David T. Morgan,1999 *The Devious Dr. Franklin, Colonial Agent* David T. Morgan,1996 The Devious Dr Franklin focuses on Benjamin Franklin s fifteen and a half year career as a colonial agent in London first for Pennsylvania and then for Pennsylvania Georgia New Jersey and Massachusetts During his years in London Franklin became a seasoned lobbyist and gained the experience that enabled him to become America s first diplomat But as a colonial agent he revealed himself to be a devious man who kept everyone guessing as to his true intentions All of the acclaimed doctor s character flaws were clearly exhibited by him during the years he served in London as colonial agent This is the only part of Franklin s career that has not been the focal point of an in depth examination by historians In this ground breaking study Morgan demonstrates that Benjamin Franklin knew well the value of a good public image and that the Doctor worked diligently to create and promote a favorable image with both his contemporaries and posterity in mind **Ben Franklin's Almanac** Candace Fleming,2014-04-15 What good shall I do today How Ben Franklin answered that question through his work as a writer printer statesman and inventor forever established him as one of America s greatest figures On one day in 1729 he published the first edition of the Pennsylvania Gazette on another day he changed the Declaration of Independence by adding the famous words We hold these truths to be self evident and it was all in a day s work when he planted the first willow trees in America Modeled on his own Poor Richard s Almanack this unique scrapbook captures Franklin s countless accomplishments Biography and anecdote cartoon and etching mesh to create a fascinating portrait of this most fascinating man Anyone interested in the birth of American democracy or curious about the rise of the U S postal system or wondering how paper money came to be or wanting to know how Ben Franklin was part of it all is sure to pore over Ben Franklin s Almanac The Literary Quest for an American National Character Finn Pollard,2009-01-14 Through key literary works of revolutionary and early national America by writers both well known Washington Irving and James Fenimore Cooper and more obscure John Neal and Jonas Clopper this book shows how American national character was born and remained in bitter debate in the nation s formative years **British Supporters of the American Revolution, 1775-1783** Sheldon Samuel Cohen,2004 America s Declaration of Independence while endeavouring to justify a break with Great Britain simultaneously proclaimed that the colonists had not been wanting in attention to our British brethren but that they had been deaf to the voice of justice and consanguinity This overstatement has since been modified in comprehensive histories of the American Revolution Gradually a more balanced portrait of British attitudes towards the conflict has emerged In particular studies of pro American Britons have exemplified this fact by concentrating on only a small upper class minority In contrast this work focuses on five unrenowned men of Britain s middling orders These individuals actively endeavoured to aid the American cause Their efforts often unlawful brought them into contact with Benjamin Franklin for whom they befriended rebel seamen confined in British gaols Their stories rendered here open up new areas for study of the American

War on this middling segment of Britain's social structure *The Biography Book* Daniel S. The Journal of American History Organization of American historians, *Recovering Benjamin Franklin* James Campbell,1999 Is Benjamin Franklin the familiar cultural icon whose face appears on coins currency and postage stamps in addition to being an affable inventor printer and humorist also an important American philosopher In *Recovering Benjamin Franklin* James Campbell attempts to recover Benjamin Franklin s role as philosopher In the broad eighteenth century understanding of the term philosopher most people would say that Franklin clearly qualifies as one But since the beginning of the twentieth century the meaning of the term has narrowed What should be said about Franklin as philosopher in the current sense of the word Part of the problem is that Franklin s thought is difficult to classify Franklin is not a composer of lengthy systematic treatises Instead we know him as the author of letters and essays primarily short and often fragmentary that were intended for diverse audiences Was Franklin a thinker whose interests were nearly universal or was he a dabbler who flew from topic to topic Was he a minor intellectual who was incapable of sustained theoretical work or was he a thinker who recognized that thought must function in the world In answering these questions Campbell provides a survey of the events in Franklin s rich life and explores his extraordinary place in American history along the way challenging a series of popular misconceptions that are based upon narrow interpretations of Franklin s work To foster a more adequate understanding the author lays out in detail Franklin s ideas in four areas science religion morality and politics
