*The Haram of Jerusalem, 324-1099* Andreas Kaplony, 2002 From the Muslims to the Crusaders conquest Jerusalem is among the world s best known cities Its most outstanding and constant feature is its shared holiness by three major confessions Muslim Jewish and Christian Covering the Marwanid the Abbasid and the Faimid phase this study describes not only the emergence of conceptions with which the three major confessions share this city but also their interactions as well as the political circumstances and religious axioms which give each conception its specific shape Looking for these conceptions of the holy area of the city the Haram has been chosen This area of the former temple was highly significant to all three confessions The analysis is based on a careful description of the Haram focusing on topics like names and traditions architecture rituals and customs visions and dreams and on the establishment of as many parallels as possible The result is a volume of astonishing depth and comprehensiveness As a compendium of sources it is unrivalled Journal of Palestine Studies The excellent graphics added to each section culminating in 103 figures deserve special mention Also impressive is Kaplony s generous handling of space it seems that he was aiming for the display of all the texts available to him taking into account Kaplony s treatment of the subject one is tempted to compare it with that of the precision and care of Swiss watchmakers Unless new sources come to light which is not very likely this book will be the standard work for many years to come Jerusalem Studies in Arabic and Islam This book is an excellent contribution to the growing literature on Islamic Jerusalem and it will indubitably be of interest to scholars and students of medieval Islamic history International Journal of Middle East Studies

Abolitionist of the Most Dangerous Kind Todd Mildfelt, David D. Schafer, 2023-10-17 A controversial character largely known as depicted in the movie Glory as a Union colonel who led Black soldiers in the Civil War James Montgomery 1814 71 waged a far more personal and radical war against slavery than popular history suggests It is the true story of this militant abolitionist that Todd Mildfelt and David D Schafer tell in Abolitionist of the Most Dangerous Kind summoning a life fiercely lived in struggle against the expansion of

slavery into the West and during the Civil War This book follows a harrowing path through the turbulent world of the 1850s and 1860s as Montgomery with the fervor of an Old Testament prophet inflicts destructive retribution on Southern slaveholders wherever he finds them crossing paths with notable abolitionists John Brown and Harriet Tubman along the way During the tumultuous years of Bleeding Kansas he became a guerilla chieftain of the antislavery vigilantes known as Jayhawkers When the war broke out in 1861 Montgomery led a regiment of white troops who helped hundreds of enslaved people in Missouri reach freedom in Kansas Drawing on regimental records in the National Archives the authors provide new insights into the experiences of African American men who served in Montgomery s next regiment the Thirty Fourth United States Colored Troops formerly Second South Carolina Infantry Montgomery helped enslaved men and women escape via one of the least explored underground railways in the nation from Arkansas and Missouri through Kansas and Nebraska With support of abolitionists in Massachusetts he spearheaded resistance to the Fugitive Slave Act in Kansas And when war came he led Black soldiers in striking at the very heart of the Confederacy His full story thus illuminates the actions of both militant abolitionists and the enslaved people fighting to destroy the peculiar institution
