The Generals War:

The Generals' War David T. Zabecki, 2018-09-01 Known as the War to End all Wars and the Great War World War I introduced new forms of mass destruction and modern technological warfare When the Bolsheviks pulled Russia out of the war in late 1917 the Germans turned their offensive efforts to the Western Front in an attempt to win the war in 1918 But as fresh American troops entered Europe the strategic scales tipped against Germany Much of how World War I played out turned on the plans and decisions of the senior most German and Allied commanders The Generals War explores the military strategies of those generals during the last year of the Great War These six very different men included Germany's Field Marshal Paul von Hindenburg and General Erich Ludendorff France's Marshals Ferdinand Foch and Philippe Pétain Great Britain's Field Marshal Sir Douglas Haig and the United States General John Pershing Although history remembers none of them as great captains these six officers determined for better or worse how World War I was fought on the battlefields of the Western Front between November 1917 and November 1918 The Generals War is a landmark exploration of the generalship that shaped the very framework of modern warfare as we know it today and provides a comprehensive and detailed analysis on the senior commanders of the Great War

Patton's War Kevin M. Hymel, 2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton's War An American General's Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton's WWII story

The War Between the Generals David John Cawdell Irving, 1981

The Gulf War of 1991 Reconsidered Andrew J. Bacevich, Efraim Inbar, 2003 Examines the 1991 Gulf War's historical origins conduct and legacy It considers the events from three points of view Arab Israeli and American

The Generals Thomas E. Ricks, 2012-10-30 A New York Times bestseller An epic history of the decline of American military leadership from the bestselling author of Fiasco and Churchill and Orwell While history has been kind to the American generals of World War II Marshall Eisenhower Patton and Bradley it has been less kind to the generals of the wars that followed such as Koster Franks Sanchez and Petraeus In The Generals Thomas E Ricks sets out to explain why that is In chronicling the widening gulf between performance and accountability among the top brass of the U S military Ricks tells the stories of great leaders and suspect ones generals who rose to the occasion and generals who failed themselves and their soldiers In Ricks's hands this story resounds with larger meaning about the transmission of values about strategic thinking and about the difference between an organization that learns and one that fails

Consulate and the Empire of France Under Napoleon Adolphe Thiers,1883 The Generals Robert Lyman,2020-12-29 In December 1941 as the Japanese army led by Yamashita scythed through Malaya to capture Singapore Britain s defence of its Asian colonies collapsed Poor preparation and inadequate leadership saw the British exposed to a new type of warfare in the Far East a Japanese blitzkrieg that proved every bit as effective as Hitler s in France the previous year When the Japanese advanced into Burma and approached the gates of India and China Churchill and his generals had little idea how to counter the seemingly unstoppable offensive Defeat seemed inevitable Yet only four years later the Japanese army would be in full scale retreat A crushing victory would be achieved by Britain and her allies From Malaya and Burma to India and China across jungle mountain and desert prairie the Burma campaign proved the longest continuous campaign of the Second World War In The Generals highly acclaimed military historian Dr Robert Lyman examines the role of military leaders on both sides and analyses the roles they played in the desperate struggle that has become known as The Forgotten War The personality of each commander directly influenced the outcome of battles the formulation of strategy and the determination or otherwise of troops to fight to the bitter end Through the stories of Yamashita Percival Hutton Irwin Mountbatten Stilwell Mutaguchi and Slim Lyman tells the gripping and heroic story of the war in the Far East **House documents** ,1897
