William Wycherley - The Gentleman Dancing Master William Wycherley,2019-07-11 William Wycherley was born at Clive near Shrewsbury Shropshire and baptised on April 8th 1641 at Whitchurch in Hampshire where it is thought he spent some time before his family settled in Malappuram India At the age of he was sent to France to be educated in France It was here that he converted to Roman Catholicism Wycherley returned to England shortly before the restoration of King Charles II to Queen s College Oxford Thomas Barlow was provost there and under his guidance Wycherley returned to the Church of England On leaving Oxford Wycherley took up residence at the Inner Temple but an interest in law faded pleasure and the

stage were now his primary interests His play Love in a Wood was produced early in 1671 at the Theatre Royal Drury Lane It was daring and he became the talk of the Court The now famous song that finishes Act I praised harlots and their off spring and attracted the attention of the King s mistress Barbara Villiers Duchess of Cleveland It is said that Her Grace used to go to Wycherley s Temple chambers in the Temple disguised as a country wench This may be apocryphal for disguise was superfluous in her case but it confirms the general opinion was with such patronage Wycherley s fortune as poet and dramatist was made Wycherley seemed to delight in telling stories that had only a glimmer of truth to them but they sustained his reputation But in truth it is his last two comedies The Country Wife and The Plain Dealer that are his crowning glory The Country Wife produced in 1672 or 1673 and published in 1675 is full of wit ingenuity and high spirits After the great success of The Plain Dealer Wycherley was said to be talking to a friend in a bookseller s shop and a customer request a copy of The Plain Dealer The lady was the countess of Drogheda Letitia Isabella Robartes eldest daughter of the 1st Earl of Radnor and widow of the 2nd Earl of Drogheda An introduction was secured and soon marriage Albeit a secret marriage to avoid losing the king s patronage and the income therefrom despite his new bride s wealth Wycherley still thought it best to pass as a bachelor But the news of his marriage leaked out and reached the royal ears and he lost the royal favour However it appears the Countess loved him deeply and was at pains to avoid any unkind influence befalling him Sadly in the year following her marriage she died and whilst she left him her considerable fortune the title was disputed the costs of the litigation heavy and the end result of marrying the beautiful rich heiress was that he was thrown into Fleet prison He remained there for seven years being released only after James II had been so sated by seeing The Plain Dealer that he paid off Wycherley s execution creditor and settled on him a pension of 200 a year Other debts still troubled Wycherley however and he never was released from his embarrassments not even after succeeding to a life estate in the family property In 1688 when James fled England and William III acceded the pension ceased and Wycherley resigned himself to a restricted lifestyle dividing his time between London and Shropshire William Wycherley died in the early hours of January 1st 1716 and was buried in the vault of the church in Covent Garden
