**William Montell**

## **The Ghost Wagon:**

**The Ghost Wagon Mystery** Edel Wignall, 1996    **The Ghost Wagon and Other Great Western Adventures** Max Brand, 1996 In Max Brand's stories no character is either a hero or a villain and most are mixtures of both. That is certainly the case of this book first published in 1921. Now available in large print    [Ghosts across Kentucky](#) William Montell, 2010-09-12 Lynwood Montell has collected ghost tales all over the state of Kentucky from coal mining settlements to river landings from highways to battlefields. He presents these suspense filled stories just as he first heard or read them as bona fide personal experiences or as events witnessed by family members or friends. There are over 250 stories in *Ghosts across Kentucky* that are set in specific places and times. They include tales of graveyards haunted dormitories animal ghosts and vanishing hitchhikers. Montell describes weird lights unexplained sounds felt presences and disappearing apparitions. Phantom workmen fallen soldiers young lovers and executed criminals appear in these pages along with the living who chance upon them. Though the focus is on the stories themselves Montell also includes a chapter explaining our fascination with the supernatural and the deep truths these storytelling traditions reveal about our lives and our pasts. William Lynwood Montell emeritus professor of folk studies at Western Kentucky University is the author of several books including *Killings*

[The Ghosts of Meeker Hollow](#) C. H. Crane, 2013-12 When Tim's cousin Natalie and the Weaver twins are invited to Stretch's grandparents a fun day of swimming and eating birthday cake turns into an evening of thunderstorms and darkness. Once the power goes out there really is not much to do. Until the kids decide to tell ghost stories. Sitting in a circle with the glow of their flashlights outlining the shadows of their faces they're not too impressed with each other's stories. That is when Stretch's grandfather joins the group and describes how a real ghost story goes. Grandpa shares a tale of a mystery that happened many many years ago in their own hollow. A tale of some evil entity buried in the old cemetery. Is this story just a tall tale? Or is it perhaps something more something that may have really happened all those years ago? Join the gang in this new adventure as they investigate the Ghosts of Meeker Hollow and find out firsthand what happens when daylight fades into darkness    **The Greatest Works of Max Brand - 90+ Titles in One Edition** Max Brand, Frederick Schiller
