The Gift Of The Father:

The Gift of the Father Valuda Stout,2006-01-01 My heart was moved by the Gift of the Father that was given unto me by Jesus Christ I was lost and now I am found because of this free gift The purpose of this book is to sound the alarm to all those that are lost and need a savior I am dedicating this book to my God my loving Father for giving mankind this precious gift which is salvation and a relationship with Jesus Christ **Giving the Church** Michael Moynagh,2024-05-30 The nucleus of the church s vocation is to join the Spirit in giving communion in Christ to others in the form of new Christian communities for the benefit of the world But can the church be a welcome gift In Giving the Church leading ecclesiologist Michael Moynagh draws together recent thinking from the worlds of ecclesiology and missiology with significant sociological work on the idea of gift to provide a much needed theological rationale for some of the key missiological and ecclesiological movements in today s church Part 1 reworks some of the big themes in ecclesiology from this giving perspective the nature of the church the four marks the visible hidden church and inclusion exclusion Part 2 meanwhile draws on the extensive literature on gifts to offer an ethical framework for giving the church to others and uses this framework to provide fresh readings of liberationist herald and eucharistic models of the church It concludes by arguing that giving the church away can be a route to making the church a more attractive gift
