## **The Glastonbury Legends:**

**The Glastonbury Legends** Reginald Francis Treharne, 1975      **Two Glastonbury Legends** Joseph Armitage Robinson, 1926      Witches, Druids and King Arthur Ronald Hutton, 2006-09-15 In *Stations of the Sun and The Triumph of the Moon* Ronald Hutton established himself as a leading authority on the history of Paganism His wealth of unusual knowledge complemented by a deep and sympathetic understanding of past and present beliefs that are often dismissed as strange or marginal and an ability to write lucidly and wittily gives his work a unique flavour The essays which make up *Witches Druids and King Arthur* cover elegantly and entertainingly a wide range of beliefs myths and practices

*Anglo-Saxon Myths: State and Church, 400-1066* Nicholas Brooks, 1998-07-01 In this collection of essays Nicholas Brooks explores some of the earliest and most problematic sources both written and archaeological for early English history In his hands the structure and functions of Anglo Saxon origin stories and charters whether authentic or forged illuminate English political and social structures as well as ecclesiastical urban and rural landscapes Together with already published essays this work includes an account of the developments in the study of Anglo Saxon charters over the last 20 years      **The Arthur of Medieval Latin Literature** Siân Echard, 2011-03-15 King Arthur is arguably the most recognizable literary hero of the European Middle Ages His stories survive in many genres and many languages but while scholars and enthusiasts alike know something of his roots in Geoffrey of Monmouth's *Latin History of the Kings of Britain* most are unaware that there was a Latin Arthurian tradition which extended beyond Geoffrey This collection of essays will highlight different aspects of that tradition allowing readers to see the well known and the obscure as part of a larger often coherent whole These Latin literate scholars were as interested as their vernacular counterparts in the origins and stories of Britain's greatest heroes and they made their own significant contributions to his myth      The Historic King Arthur Frank D. Reno, 2007-03-20 Who was King Arthur How did the story originate Through careful research of the many primary documents a picture of the true Arthur can in fact be set down He reached power shortly after the Romans evacuated Britain at the end of the fifth century and died at the Battle of Camlann He became king at 15 under the name of Ambrosius Aurelianus and fought against the Saxons on the mainland as Riothamus thus explaining the regeneration motif so closely tied to the mythical Arthur This study reveals that the integrity and ideals central to Arthurian myth were very much a part of the real Arthur      *Eternal Chalice* Juliette Wood, 2008-06-30 What is the secret of the Grail So intoned a heavenly voice to Sir Percival in John Boorman's stylish and influential film *Excalibur* 1981 The sacred allure of the Holy Grail has fascinated writers and ensnared knights for over a thousand years From Malory to Monty Python the eternal chalice said to be the very cup from which Christ drank at the Last Supper has the richest associations of any icon in British myth Many different meanings have been devised for the Grail which has been linked to the Celts and King Arthur the eucharistic rites of Eastern Christianity ancient mystery religions Jungian archetypes dualist heresies Templar treasure and even the alleged descendants of Christ himself and Mary

Magdalene The common thread running through all these stories is the assumption that the Grail legend has a single source with a meaning that if only we could decode it is concealed in the romances themselves That meaning has become the subject of coded secret documents and is the central feature of a vast conspiracy supposedly stretching back to the dawn of western civilization Juliette Wood here reveals the elusive and embedded significance of the Grail story in popular consciousness as myth medieval romance tangible holy relic and finally as the centre of an esoteric theory of global conspiracy The author shows how various interpretations of the Grail over the centuries reflect changing cultural needs and desires Her book will enthrall those who like Sir Percival seek to unlock the mysterious secrets of western mythology s most extraordinary and tantalising enigma and will delight students of history myth and religion alike **Proceedings of the Somersetshire**

**Archaeological and Natural History Society** Somersetshire Archaeological and Natural History Society,1881 Blood of Avalon Adrian Gilbert,2014-02-01 In this controversial new book Adrian Gilbert reveals the real reason why Charles married Diana and how through her the Royal Family was reconnected with the line of King Arthur the guardians of the Holy Grail It s a story which goes back to Mary the mother of Jesus and Joseph of Arimathea to the real King Arthur ruler of Glamorgan and Pendragon of all Britain Reinterpreting ancient sources in the light of recent discoveries Gilbert takes the reader on a journey to Britain s mystical past from Arthur to the fairy tale wedding of Charles and Diana to the birth of Prince William on the summer solstice of 1982 He identifies the real Avalon the location of the fabled Grail castle and the burial place of King Arthur He also explains the significance of the Wars of the Roses the wider role of Queen Elizabeth I tracing other descendants of King Arthur and the early grail dynasty to the present time He is able to show how not just Diana the Princess of Wales but also Sir Winston Churchill were descended from the Holy Grail family of the Virgin Mary revealing one of the greatest secrets of our time The Ancient British Church John Pryce,1878 **Macmillan's Magazine** ,1880
