## **The Global Christ:**

The Global Christ Roy Lawson Tawes, 2013-10 This is a new release of the original 1945 edition      **Pentecostalism, Catholicism, and the Spirit in the World** Stan Chu Ilo, 2019-10-17 This volume's essays are an ecumenical ensemble of the best scholars and leading practitioners in the Pentecostal and Charismatic movements from all four corners of the world. The contributors bring together various denominational perspectives and dialogue for understanding the present momentum of these Spirit movements in the world church. Their diverse methodologies transverse the traditional and new approaches to studying these movements. Pointing the way forward, the authors highlight some of the lessons learned in their scholarly engagement with Spirit movements. These lessons offer significant insight and viewpoints for the academy in the historical analysis of these movements. They also serve as a good guide for pastoral discernment and accompaniment for God's people in their daily lives as well as for social ministries in the world church. This volume addresses questions of salvation and eschatology, health and healing, prosperity and poverty, suffering and death, fear and faith, despair and hope. Other topics include the conflict between charism and institution and the tension between cultic clericalism and the affirmation and use of the gifts and talents of lay members of Christ's faithful in the church.

A Visible Unity Josiah Baker, 2024-09-16 The work of uniting churches is slow, challenging, and multifaceted, and it changes in each generation and location. In this book, Josiah Baker studies the efforts of believers towards reconciliation as something significant for how we understand the church. He offers a theology for laborers, people for whom unity is not only an idea but a calling and sure hope. A Visible Unity is a study in systematic theology on the relation of ecumenical methodology to ecclesiological convergence: how acting together results in the churches being together. Ecumenical work informs ecclesiology because it involves the actions of Christians together in accordance with their shared views of the church. Whenever this work changes, the partnering churches change their relations and further resolve their divisions. Baker studies ecclesiology by telling stories about a person, the Pentecostal ecumenist Cecil Robeck, for Robeck's decades of leadership in American and global ecumenical settings. By narrating his activities and analyzing his thought, the book offers a window into the interrelation of different portions of the ecumenical movement and how the movement has changed over the years. Baker compiles archival materials and personal interviews to tell stories about ecumenism never before published.

Pentecostalism and Christian Unity, Volume 2 Wolfgang Vondey, 2013-03-28 This book is the follow-up volume to Pentecostalism and Christian Unity: Ecumenical Documents and Critical Assessments. The first volume documented the history and ecumenical engagement of Pentecostals during the twentieth century. This new collection traces the ecumenical developments, narratives, and conversations during the first decade of the twenty-first century. The ecumenical community and Pentecostals have consistently lamented the absence of a comprehensive gathering of resources for both groups. This particular volume provides two significant assets in this regard: 1) documentation of new and emerging conversations that have not yet produced official reports and 2) official reports from

continuing conversations The book begins with an overview of a century of Pentecostal participation in Christian unity Part One contains ecumenical narratives on the Joint Consultative Group of Pentecostals and the World Council of Churches Lutherans and Pentecostals the Global Christian Forum and Christian Churches Together in the USA Part Two contains the extensive reports from the official dialogue of Pentecostals with the Roman Catholic Church the World Alliance of Reformed Churches and the Oneness Trinitarian Pentecostal dialogue This collection presents an invaluable resource for teachers scholars and pastors interested in engaging the global Christian arena from the worldwide and ecumenical perspectives of Pentecostalism *Around the World Tour of Christian Missions* William Folwell Bainbridge,1882 **The World's**
