The Gold Of Meroe:

The Gold of Meroe Karl-Heinz Priese,1993 **Nubian Pharaohs and Meroitic Kings** NECIA DESIREE HARKLESS,2006-08-30 NUBIAN PHARAOHS AND MEROITIC KINGS THE KINGDOM OF KUSH Necia Desiree Harkless has completed her odyssey of 24 years initiated by a poem that emerged in the odd moments of early morning and her studies as a Donovan Scholar at the University of Kentucky with Dr William Y Adams the leading Nubiologist of the world The awesome result is her attempt to map the cultural social political history of Nubia as a single people as actors on the world stage as they act out their destinies in the cradle of civilization The underlying purpose of her book is to reconstruct the collective efforts of the past and present Nubian campaigns and their collaborative scholarship so that the African American as well as all Americans can begin to understand the contributions of the civilization of Africa and Asia as a continuous historical entity The history of the Kingdom of Kush begins with its earliest kingdom of Kerma in 2500 BC It continues with the conquest of Egypt by the Nubian Pharaohs in 750 BC reluctantly recognized as the Twenty fifth Dynasty of Egyptian Pharaohs They ruled as black pharaohs from their Kingdom at Napatan until they were forced one hundred years later to retreat to Napata by the Assyrians who assumed control of the Egyptians It was at Meroe the last empire of the Kush that forty generations of Meroitic kings and queens continued the Kingdom of Kush reaching monumental and dynastic heights Their symbiotic relationship with Egypt was over allowing them to develop their own indigenous culture with a language and script of their own Their architecture arts politics material and spiritual culture in the minds of many scholars surpassed that of Egypt Over two hundred pyramids have been investigated It is an epic that will be long remembered The dawn of Christianity in the Kingdom of Kush has been found in the treasure cove of the Frescoes of Faras **Proceedings of the 14th International Conference for Nubian Studies** Marie Millet,Frederic Payraudeau,Vincent Rondot,Pierre Tallet,2024-03-01 The Proceedings of the 14th International Conference for Nubian Studies are published in the research journal Kush for its 20th issue Sixty articles are presenting the advances of international research on Middle Nile Valley archaeology and highlighting the richness and importance of Sudanese sites along the different phases of its Prehistory and History i e kingdoms of Kush Kerma Napata Meroe Medieval Post Medieval and Modern Periods The eighty authors are coming from different disciplines archaeology linguistic bio anthropology museum studies etc Their contributions are showing the nowadays implication of research in site management cultural heritage and museums especially in the frame of the bilateral programme Qatar Sudan Archaeological Programme **A History of Money in Ancient Countries from the Earliest Times to the Present** Del Mar,1885 *Meroë: a Poem in Six Books* Sir William Laird Clowes,1876 *Eritrea's Gold Rush* Charlotte Touati,2025-10-02 Leading Horn of Africa expert Charlotte Touati exposes the role played by Canadian gold mining company Nevsun and other global actors in propping up the regime of Isayas Aferwerki one of Africa s most dangerous dictators In so doing Touati shows how global capital networkshelp perpetuate economic and political instability in the Horn of Africa which

in turn is fostering violence and volatility throughout other parts of the world Using a narrative framework and a core cast of characters to help guide non specialist readers through her findings Touati explains the enormous significance of how Nevsun partnered with Aferwerki to open the Bisha gold mine and save his regime from bankruptcy As Touati relates when Eritrean refugees later claimed they were conscripted to work in the mines without pay and abused as part of their National Service Nevsun hired lobbyists to defend Eritrea's actions and cast the very notion of human rights as a Western Trojan horse Australian Chinese and Russian actors gradually became involved and philological analysis shows that the propaganda and disinformation campaigns of the infamous Russian Wagner Group ultimately stem from the rhetoric of Afewerki and his lobbyists Ultimately this violently anti Western rhetoric was injected into a pan Africanist discourse to become an ideological and rhetorical toolbox It was used to prevent any intervention on behalf of Eritreans trapped in their own country or Tigrayans genocided in neighboring Ethiopia in the name of sovereignty and also to legitimize new conflicts throughout the Sahel and the rest of Africa's notorious Coup Belt It takes on even wider global dimensions when we consider the ongoing crisis around the Red Sea ports which Eritrea controls and the question of the influence of the Gulf States in the Horn of Africa
