## **The Golddiggers:**

**The GoldDiggers** Sue Nyathi,2019-05-01 It s 2008 and the height of Zimbabwe s economic demise A group of passengers is huddled in a Toyota Quantum about to embark on a treacherous expedition to the City of Gold Amongst them is Gugulethu who is hoping to be reconciled with her mother Dumisani an ambitious young man who believes he will strike it rich Chamunorwa and Chenai twins running from their troubled past and Portia and Nkosi a mother and son desperate to be reunited with a husband and father they see once a year They have paid a high price for the dangerous passage to what they believe is a better life an escape from the vicious vagaries of their present life in Bulawayo In their minds the streets of Johannesburg are paved with gold but they will have to dig deep to get close to any gold dirtying themselves in the process Told with brave honesty and bold description the stories of the individual immigrants are simultaneously heart breaking and heart warming

**From Small Screen to Vinyl** Bob Leszczak,2015-06-25 From its infancy television networks and studios explore others avenues to increase their revenues Conveniently enough several film studios and production companies MGM MTM Columbia Screen Gems Talent Associates Warner Brothers had their own record label divisions The obvious benefit was cross promotion a television series could be plugged on the record and the record could be promoted on the TV show Though few and far between several television performers went on to become major recording stars Ricky Nelson started as a child actor on The Adventures of Ozzie and Harriet before dominating rock and pop charts Johnny Crawford of The Rifleman Walter Brennan of The Real McCoys and even Bruce Willis of Moonlighting all scored Top Ten hit singles But these were just the standouts from the hundreds of TV actors who recorded songs and the stories behind their records are simply fascinating In From Small Screen to Vinyl A Guide to TV Stars Who Made Records 1950 2000 author Bob Leszczak offers a look at hundreds of stars who performed double duty as a television performer as well as a recording artist He looks not only at the show and the performer but the behind the scenes dramas that unfolded as each attempted to tackle the two different mediums Through his interviews with many of these multitaskers the author has uncovered new and mostly never before known facts about those who sought to conquer the world of vinyl As Leszczak stresses most eagerly embraced the opportunity to record while others saw it as a necessary evil the result of contractual obligations or industry pressures Entries are listed alphabetically from Nick Adams of The Rebel to Efrem Zimbalist Jr of 77 Sunset Strip Also included are over 80 photos of these rare releases taken from the author s private collection For a new look at your old favorites From Small Screen to Vinyl will let you see that just because one is a TV star does not mean that he or she does not have the ability to expand beyond their acting prowess Baby boomers fans of classic hits radio and devotees of classic TV programs will find From Small Screen to Vinyl a treasure trove of TV and record trivia and no TV or music library can be considered complete without it
