

The Golden Circle

"What?"

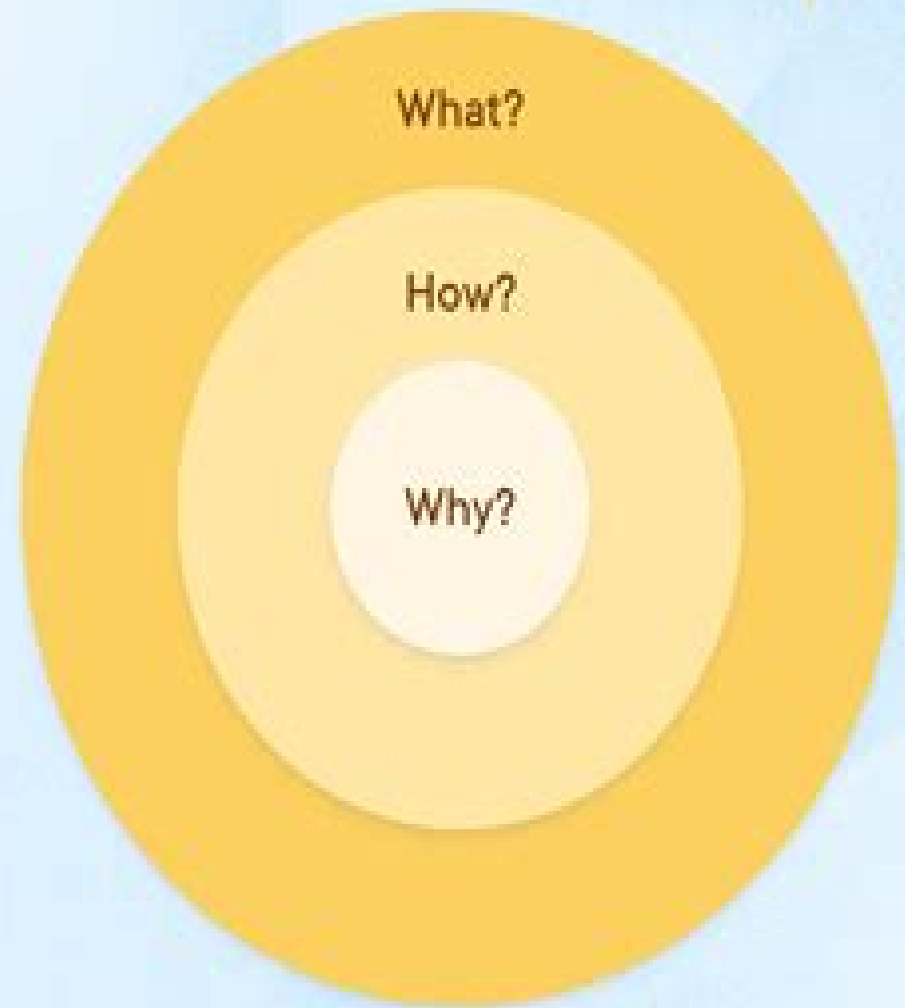

is in the outer circle and relates to every person in a business knowing exactly what they do, 100% of the time.

"How?"

is in the middle circle, with only some people within an organisation knowing how they do it, and what sets their organisation apart from others.

"Why?"

is the core of the golden circle - the core of a business as such - where very few people in that company know why they do what they do.

The Seventh Star of the Confederacy

Kenneth Wayne Howell,2009 On February 1 1861 delegates at the Texas Secession Convention elected to leave the Union The people of Texas supported the actions of the convention in a statewide referendum paving the way for the state to secede and to officially become the seventh state in the Confederacy Soon the Texans found themselves engaged in a bloody and prolonged civil war against their northern brethren During the course of this war the lives of thousands of Texans both young and old were changed forever This new anthology edited by Kenneth W Howell incorporates the latest scholarly research on how Texans experienced the war Eighteen contributors take us from the battlefield to the home front ranging from inside the walls of a Confederate prison to inside the homes of women and children left to fend for themselves while their husbands and fathers were away on distant battlefields and from the halls of the governor's mansion to the halls of the county commissioner's court in Colorado County Also explored are well known battles that took place in or near Texas such as the Battle of Galveston the Battle of Nueces the Battle of Sabine Pass and the Red River Campaign Finally the social and cultural aspects of the war receive new analysis including the experiences of women African Americans Union prisoners of war and noncombatants

Dark Lanterns Frank L. Klement,1989-08-01 During the agonizing days of the Civil War four secret political societies often known as dark lantern societies became household words throughout the North Three of these groups the Knights of the Golden Circle the Order of American Knights and the Sons of Liberty supposedly were umbrellas for antiwar Democrats and were reportedly involved in treasonable activities The Union League on the other hand was a patriotic political organization intent upon buttressing northern morale and giving support to the war program of the Lincoln administration The accusations and counter accusations that passed between these opposing forces helped

spread fantastic rumors about their power and influence Treason trials held in Cincinnati and Indianapolis based convictions on hearsay while the leaders of the Order of American Knights and the Knights of the Golden Circle spent much of the war in prison without benefit of trial Today reputable reference sources still matter of factly credit these societies with large memberships and evil motives In Dark Lanterns Frank L Klemment refutes past historical theories and shows quite clearly that these societies were never much more than paper based organizations with vague goals and little ability to carry them out Recounting the actual histories of these organizations he shows how they were sensationalized even fictionalized in both Republican and Democratic newspaper and magazine exposés He also probes the trials arising from the supposed conspiracy to establish a separate confederacy in the Midwest and the so called Camp Douglas conspiracy which was intended to release the Confederate prisoners housed there Despite the furor they generated Klement concludes that these dark lantern societies were essentially engaged in nothing more than a war of words and that their alleged power was greatly exaggerated by political propaganda Meticulously researched and lucidly argued Dark Lanterns explores a controversial and puzzling aspect of the Civil war It will be hard to dispute Klements finding that generations of historians have swallowed whole a tale that was largely the product of myth and legend
