Bowker's Complete Video Directory, 2000 **Developing Child Telcourse** Robert H. Wozniak, 1993 The book has been specifically designed to bring the work of developmental psychologists together with that of historians of childhood, psychological anthropologists, sociologists, psycholinguists and experts in other fields to examine the diversity of children's development in the complex changing social contexts in which it occurs. In the book's chapters we will be studying children as they change within these developing contexts. Through this study we will be led to a deeper understanding of the many forces that bring about change in individuals, in families, in societies and in humankind.
