

# The Art Of The Renaissance In Eastern Europe

**Jiyuan Zhang**

## **The Art Of The Renaissance In Eastern Europe:**

*The Art of the Renaissance in Eastern Europe* Jan Białostocki, 1976 Little has been written about the influence of Italian Renaissance art in eastern Europe even though the Florentine artists who were invited to Buda or Cracow brought with them a more refined and more original form of their art than the Lombards took to France and Germany. This handsome volume which contains more than 350 illustrations describes how Hungary, Bohemia and Poland succumbed to the irrepressible new style. Concerned primarily with architecture, sculpture and architectural decoration Professor Białostocki concentrates on the direct impact of Tuscan and North Italian artists known to have worked in various eastern European cities and courts. Taking a functionalist approach he considers the historical background of patronage and humanism and he discusses the most typical artistic projects of the time the castle, the chapel, the tomb and the town. His concluding chapter deals with the period when late Renaissance mannerism and early baroque coexisted to form a hybrid style. A comprehensive bibliography offers previously uncollected material in several eastern European languages. An outstanding contribution to Renaissance studies this book should not only encourage the exploration of new areas of comparative study but also make enlightening reading for nonexperts interested in the art of the Renaissance.

### **Art in Poland, 1572-1764** Jan K. Ostrowski, Art Services

International, 1999 From the dramatic uniform of the winged hussar complete with feathered wings and leopard skin to traditional portraits of royalty to a Turkish style beverage service these splendid objects represent Poland's diversity and breadth at a time when it was the largest land empire in Europe stretching from the Baltic to the Black Sea.

**100 Years On: Revisiting the First Russian Art Exhibition of 1922** Isabel Wünsche, Miriam Leimer, 2022-12-12 The First Russian Art Exhibition Erste Russische Kunstausstellung which opened at the Galerie van Diemen in Berlin on October 15 1922 and later travelled to Amsterdam introduced a broad Western audience to the most recent artistic developments in Russia. The extensive show more than a thousand works including paintings, graphic works, sculptures, stage designs, architectural models and works of porcelain was remarkably inclusive in its scope which ranged from traditional figurative painting to the latest constructions of the Russian avant garde. Coming on the heels of the Treaty of Rapallo the exhibition was a first cultural step towards bilateral relations between two young and yet internationally isolated new states the Weimar Republic and the Russian Soviet Republic. Moving away from the narrow focus on the avant garde the volume presents new research that examines the exhibition's broader historical scope and cultural implications. The reception of the exhibition within artistic circles in Germany, Europe, the United States and Japan in the 1920s is addressed as well as the disposition of many of the works exhibited. The combination of longer thematic essays and short

features along with reproductions of newly identified works and a selection of unpublished archival materials make this book valuable to both a scholarly and a general readership **Acta Historiae Artium** ,1998 **Who's who in Central and**

**East-Europe** Stephen Taylor,1935 **Library of Congress Subject Headings** Library of Congress. Office for Subject Cataloging Policy,1992 **Monographic Series** Library of Congress, **Children and Yiddish Literature From Early**

**Modernity to Post-Modernity** Gennady Estraikh,Kerstin Hoge,Krutikov Mikhail,2016-05-20 Children have occupied a prominent place in Yiddish literature since early modern times but children s literature as a genre has its beginnings in the early 20th century Its emergence reflected the desire of Jewish intellectuals to introduce modern forms of education and promote ideological agendas both in Eastern Europe and in immigrant communities elsewhere Before the Second World War a number of publishing houses and periodicals in Europe and the Americas specialized in stories novels and poems for various age groups Prominent authors such as Yankev Glatshteyn Der Nister Joseph Opatoshu Leyb Kvitko made original contributions to the genre while artists such as Marc Chagall El Lissitzky and Yisakhar Ber Rybak also took an active part In the Soviet Union meanwhile children s literature provided an opportunity to escape strong ideological pressure Yiddish children s literature is still being produced today both for secular and strongly Orthodox communities This volume is a pioneering collective study not only of children s literature but of the role played by children in literature
