### **The Aten Promise:**

*Boundary Stelae Of Akhentaten* William J. Murnane, Charles C. Van Sicel III, 2012-11-12 First published in 1993 This is a new edition of Akhenaten's boundary stelae which now includes information about most of the boundary markers the tablets were accompanied by statues of Akhenaten Nefertiti and two of their daughters all of which stood on low platforms that were raised above the level of the floor In addition was the awareness that the statues at the site of Stela A were elevated to a greater degree than were the corresponding statues at other sites insofar as this could be judged from published photographs The evidence in the publication indicated moreover that Stela A along with Stela B some two miles south were the latest of the boundary monuments to be inscribed since both concluded with a colophon dated to the end of Akhenaten's eighth regnal year added to the standard text of the Later Proclamation found on these and other stelae of this series

**The Aten Promise** Henniker Keene, 2002-11 The combination of man's folly and divine genetic manipulation produces an astounding metamorphosis of the world in which perfected humans enjoy immortality in a leaderless society And twelve mysterious Guardians the Shining Beings ascertain that it remains that way forever **Miracles and Promises** Kathleen L. Figgen, 1990 *Out of the Black Land* Kerry Greenwood, 2018-09-01 Eighteenth Dynasty Egypt is peaceful and prosperous under the dual rule of the Pharaohs Amenhotep III and IV until the younger Pharaoh begins to dream new and terrifying dreams Ptah hotep a young peasant boy studying to be a scribe wants to live a simple life in a Nile hut with his lover Kheperren and their dog Wolf But Amenhotep IV appoints him as Great Royal Scribe Surrounded by bitterly envious rivals and enemies how long will Ptah hotep survive The child princess Mutnodjme sees her beautiful sister Nefertiti married off to the impotent young Amenhotep But Nefertiti must bear royal children so the ladies of the court devise a shocking plan Kheperren meanwhile serves as scribe to the daring teenage General Horemheb But while the Pharaoh's shrinking army guards the Land of the Nile from enemies on every border a far greater menace impends For not content with his own devotion to one god alone the newly renamed Akhnaten plans to suppress the worship of all other gods in the Black Land His horrified court soon realise that the Pharaoh is not merely deformed but irretrievably mad and that the biggest danger to the Empire is in the royal palace itself **House of Rejoicing** Libbie Hawker, 2015-06-01 House of Rejoicing is Libbie Hawker's long awaited return to the lush decadence and dark power of ancient Egypt In the waning years of Egypt's Eighteenth Dynasty when female power can only come at an unsettling price four royal women struggle against the shadowy influence of Akhenaten the infamous heretic Pharaoh Akhenaten wields control of a strange emerging religion unlike anything Egypt has seen His power can't be denied but whoever can maintain her grip on the unpredictable Pharaoh will hold all of Egypt in her hands and better still will remain mistress of her own fate Tiy once the undisputed might behind the throne must choose to relinquish her hard won influence or manipulate the innocent in order to secure her hold on Akhenaten's leash Kiya an idealistic foreign princess will win Akhenaten with love if he's capable of feeling love at all The celebrated beauty Nefertiti

will use the Pharaoh for her own ends turning the tables of a deadly political game to free herself from her ambitious father's grasp And Sitamun kept imprisoned as the Pharaoh's plaything will defy the gods themselves to save her daughter from a similar fate House of Rejoicing is the first part in Libbie Hawker's new ancient Egyptian series The Book of Coming Forth by Day The story will continue in Part Two Storm in the Sky in July of 2015      **Salvation in the Sun** Lauren Lee Merewether,2018-05-13 This future she knows for certain the great sun city will be her undoing Amidst a power struggle between Pharaoh and the priesthood of Amun Queen Nefertiti helps the ill prepared new Pharaoh Amenhotep enact his father's plan to regain power for the throne But what seemed a difficult task only becomes more grueling when Amenhotep loses himself in his radical obsessions Standing alone to bear the burden of a failing country and stem the tide of a growing rebellion Nefertiti must choose between her love for Pharaoh and her duty to Egypt in this dramatic retelling of a story forgotten by time Salvation in the Sun is the first volume of Lauren Lee Merewether's debut family saga The Lost Pharaoh Chronicles a resurrection of an erased time that follows the five Kings of Egypt who were lost to history for over three millennia The story continues in book two Secrets in the Sand      *Proceedings of the ... The Season of the Hyaena The sounds and smells of the period seem to waft from the pages of Paul Doherty's books Doherty again manages to tell the story in a fascinating manner you fly over the pages **The Literary World**, 1894 Texts from the Amarna Period in Egypt William J. Murnane, 1995 In the middle of the fourteenth century BCE Egypt's polytheistic religion was suddenly attacked by its most traditional upholder the pharaoh The short lived revolution which followed continues to be as disturbing and enigmatic as the heretic king Akhenaten who set it in motion Was Akhenaten the first monotheist as he is widely reputed to be Or was he an opportunist possibly even an atheist who cloaked a political revolution in religious terms Modern readers will now find it easier to address such questions by using this wide ranging collection of documents many of them never before translated into English in which the full sweep of one of ancient history's most fascinating periods lives anew Back cover *The centennial edition of the complete works of W.E. Channing* William Ellery Channing, 1880 *Promises to Pay* Derrick Byatt, 1994 **Private Religion at Amarna** Anna Stevens, 2006 In this study the author approaches the realm of private religion in Egypt some 3 300 years ago The two broad research questions that frame this study are What was the structure of the private religious landscape at Amarna Central Egypt on the Nile and what were the ideas that shaped this landscape The starting point is a corpus of objects and structures from settlement remains at one site Amarna the location of Egypt's capital for a brief period c 350 330 BCE towards the end of the Eighteenth Dynasty At the height of its occupation Amarna was the administrative political and religious centre of Egypt Estimates of the city's population at this time range between 20 000 and 50 000 people This publication is divided into three parts Part I places the study in context The history of the Amarna period the layout of the site and its excavation history are summarized Part 2 explores the issue of how to define private religion and identify its material remnants the inventory of the material evidence objects architectural emplacements and buildings It is hoped that the dissemination of this material will assist others researching similar topics making available unpublished evidence from most of the main phases of excavation at the site Part 3 explores the design manufacture and acquisition of the material components of religion and considers the forms of the conduct in which they were used Also examined are the transcendental forces involved the royal family and Aten and traditional deities and spirits including private ancestors Part 3 also considers the shape of the religious cityscape and the questions of who was participating in religion and what was done with the material when it was no longer in use The study concludes with a discussion of the motivating factors that underlay religious conduct and which open a small window onto the ideas that shaped the religious landscape more broadly *Chronicle of a Pharaoh* Joann Fletcher, 2000 Taking an eye opening new approach to Egyptian history *Chronicle of a Pharaoh* presents a unique and intimate portrait of Amenhotep III the man and self proclaimed god who presided over the zenith of Egypt's greatness Through an unprecedented wealth of details from the day to day running of a huge empire to his clothes cats and bedroom habits the private and public faces of a pharaoh are vividly brought to life as never before Joann Fletcher explores Amenhotep's private and public life in a

compelling year by year account drawing on firsthand and previously unpublished material Among the many subjects covered are his daily schedule such as bedchamber ceremonies and meetings with ministers his relations with rulers of other ancient superpowers recorded in a lively correspondence covering topics from new wives to the price of silver his family life including the remarkable role of his wife Queen Tiy the superlative art of the reign and his monumental construction projects among them the great temple of Luxor Amenhotep III also established the cult of Aten the sun disk and after Amenhotep's death his son the rebel pharaoh Akhenaten became fanatically obsessed with the god Illustrated with spectacular full color photographs maps and artifacts many of which are published here for the first time Chronicle of a Pharaoh provides the full context for understanding the monarch who presided over the magnificent flowering of Egyptian civilization
