The Auden Generation Literature And Politics In England In The 1930s:

The Auden Generation Samuel Hynes,2011-04-30 This is a study of a literary generation writing in a period of expanding fears and ever more urgent political and social crises The pace of the time itself the sense of time passing and an end approaching gave a special quality to the Thirties The public world pressed insistently on the private world For those who came of literary age Auden Day Lewis MacNeice Spender Graham Greene Isherwood and Orwell among them writing became a form of action In the process a generation discovered itself and found its own expression *The Auden Generation* Samuel Lynn Hynes,1982 The Description for this book The Auden Generation Literature and Politics in England in the 1930s will be forthcoming **The Auden Generation** Samuel Hynes,1976 The Auden Generation Samuel Lynn Hynes,1976

Edward Upward and Left-Wing Literary Culture in Britain Benjamin Kohlmann,2016-04-29 Offering the first book length consideration of Edward Upward 1903 2009 one of the major British left wing writers this collection positions his life and works in the changing artistic social and political contexts of the twentieth and early twenty first centuries Upward s fiction and non fiction from the 1920s onwards illustrate the thematic and formal richness of left wing writing during the twentieth century age of extremes At the same time Upward s work shows the inherent tensions of a life committed at once to writing and to politics The full range of Upward s work and a wealth of unpublished materials are examined including his early fantastic stories of the 1920s his Marxist fiction of the 1930s the extraordinary semi autobiographical trilogy *The Spiral Ascent* and his formally and thematically innovative later stories The essays collected here reevaluate Upward s central place in twentieth century British literary culture and assess his legacy for the twenty first century *Reader's Guide to Literature in English* Mark Hawkins-Dady,2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study Encyclopedia of Literary Modernism Paul Poplawski,2003-12-30 Modernism is still widely acknowledged as perhaps the most important and influential artistic and cultural phenomenon of the 20th century Written by expert scholars from around the world and covering hundreds of different topics in a clear incisive and critical manner this reference maps the complex field of modernism in a fresh and original way The principal focus of the book is on English language literary modernism and the period 1890 1939 yet many entries extend beyond those parameters to include important precursors and successors of the movement The book also covers the crucial European and interdisciplinary dimensions of modernism and provides complementary comparative perspectives from countries and regions not usually included in traditional accounts of the subject Entries cite works for further reading and the volume closes with a selected general bibliography *Women, Travel Writing, and Truth* Clare Broome Saunders,2014-07-17 The issue of truth has been one of the most constant complex and contentious in the cultural history of travel writing Whether the travel was undertaken

in the name of exploration pilgrimage science inspiration self discovery or a combination of these elements questions of veracity and authenticity inevitably arise *Women Travel and Truth* is a collection of twelve essays that explore the manifold ways in which travel and truth interact in women's travel writing Essays range in date from Lady Mary Wortley Montagu in the eighteenth century to Jamaica Kincaid in the twenty first across such regions as India Italy Norway Siberia Austria the Orient the Caribbean China and Mexico Topics explored include blurred distinctions of fiction and non fiction travel writing and politics subjectivity displacement and exile Students and academics with interests in literary studies history geography history of art and modern languages will find this book an important reference British Literary Magazines: The modern age, 1914-1984 Alvin Sullivan, 1983 Encyclopedia of British Women's Writing 1900-1950 Ashlie Spontenberg, 2015-12-23
