*The Ba'thification of Iraq* Aaron M. Faust, 2015-11-15 Saddam Hussein ruled Iraq as a dictator for nearly a quarter century before the fall of his regime in 2003 Using the Ba th party as his organ of meta control he built a broad base of support throughout Iraqi state and society Why did millions participate in his government parrot his propaganda and otherwise support his regime when doing so often required betraying their families communities and beliefs Why did the

Husseini Ba thist system prove so durable through uprisings two wars and United Nations sanctions Drawing from a wealth of documents discovered at the Ba th party s central headquarters in Baghdad following the US led invasion in 2003 The Ba thification of Iraq analyzes how Hussein and the party inculcated loyalty in the population Through a grand strategy of Ba thification Faust argues that Hussein mixed classic totalitarian means with distinctly Iraqi methods to transform state social and cultural institutions into Ba thist entities and the public and private choices Iraqis made into tests of their political loyalty Focusing not only on ways in which Iraqis obeyed but also how they resisted and using comparative examples from Hitler s Germany and Stalin s Russia The Ba thification of Iraq explores fundamental questions about the roles that ideology and culture institutions and administrative practices and rewards and punishments play in any political system **Encyclopedia**

**Christian College Magazine** ,1912 **The Christian Life** ,1884 **A Tutorial on the Dispensation of Baha'u'llah**

Fazel Naghdy,2012 Shoghi Effendi stated that the first duty and the focus of sustained efforts of every faithful follower of the Bah Faith is to strive to acquire a more adequate understanding of the Revelation of Bah u ll h Although a full comprehension of such a Revelation is beyond the limits of our understanding a clearer understanding of its basic truths will empower us to derive fresh inspiration and to gain further spiritual nourishment which in turn will support and maintain our services to the Cause Shoghi Effendi *The World Order of Bah u ll h* p 100 Shoghi Effendi wrote *The Dispensation of Bah u ll h* in 1934 in the form of a letter addressed to the Bah s of the West to assist them to fulfil the obligation of deepening their understanding The letter was published together with a selection of his other letters in 1938 in the book entitled *The World Order of Bah u ll h*

The Dispensation of Bah u ll h provides an accurate and clear description of the fundamental verities of the Bah Faith concerning the station of its Central Figures as well as the twin crowning institutions of the Guardianship and the Universal House of Justice Grasping and upholding these verities will enrich the spiritual life of the individual This tutorial is designed to assist you in studying and assimilating the content of The Dispensation of Bah u ll h It is called a tutorial to emphasize the concept underlying its development In a tutorial a tutor facilitates learning for an individual or a small group This book has been designed and developed to simulate as much as possible the tutor tutored relationship in a self paced personal study The tutorial identifies the main themes covered in Shoghi Effendi s letter and splits related paragraphs into chapters Hence the 130 paragraphs of The Dispensation of Bah u ll h are apportioned for study across 27 chapters The size and complexity of each chapter reflects the content and intricacy of the issues addressed in the paragraphs included therein The title chosen for each chapter reflects the main theme covered in the paragraphs In addition two extra chapters address those questions that arose following the sudden passing of Shoghi Effendi and the lack of any lineal descendant to succeed him as the next Guardian The first chapter explores the possible reasons that Shoghi Effendi did not leave a will nor appoint a successor The second chapter examines the defection of Charles Mason Remey after the passing of Shoghi Effendi and his unsubstantiated claim to the Guardianship
