The Authorized Left Behind Handbook:

Writing the Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music Writing the Rapture is an indispensable guide to this flourishing yet little understood body of literature

The Regime Tim LaHaye, Jerry B. Jenkins, 2013-02-08 Dynamic Romanian multimillionaire Nicolae Carpathia's sphere of influence steadily grows as he parlays his looks charm charisma and intellectual brilliance into success in business and politics But is it mere coincidence that those who oppose or offend him suffer to the point of death Meanwhile a young Buck Williams begins his journalistic career Pilot Rayford Steele gains more responsibility at work and at home Scientist Chaim Rosenzweig begins work on a secret formula that could change the world All three go about their daily lives unaware of each other or of the powerful young man from Romania Around the world the stage is being set for the cataclysmic event that will change the world forever

The Rising Tim LaHaye, Jerry B. Jenkins, 2013-02-08 The Rising begins a new Left Behind series that will give you a glimpse into the lives of your favorite characters before the Rapture Have you ever wondered what life was like before the Rapture for Rayford Irene and Chloe Steele Bruce Barnes Buck Williams and Tsion Ben Judah Plus see why Viv Ivins plays such a pivotal role in Nicolae Carpathia's life What were the events surrounding Nicolae's sudden rise to power How did he become filled with evil You will find all these answers and more in this exciting new series In The Rising Marilena Carpathia has only one dream to be a mother So when a mysterious clairvoyant promises the fulfillment of this dream Marilena does not hesitate Through genetic engineering and the power of the prince of darkness himself Marilena is about to become a chosen vessel one who will unknowingly give birth to the greatest evil the world has ever known Halfway around the world God's plans are subtly being carried out too Young Ray Steele is determined to avoid one day taking over the family business Instead Ray sets his heart on becoming a pilot Soon Carpathia's and Steele's lives will intersect And good

and evil will clash in an explosion that will shake the world The eternal battle for souls has come to earth The world hurtles toward the countdown to the Rapture The Delusions of Crowds William L Bernstein,2021-05-06 Inspired by Charles Mackay s 19th century classic Memoirs of Extraordinary Popular Delusions and the Madness of Crowds William Bernstein engages with mass delusion with the same curiosity and passion but armed with the latest scientific research that explains the biological evolutionary and psychosocial roots of human irrationality Bernstein tells the stories of dramatic religious and financial mania in western society over the last 500 years from the Anabaptist Madness that afflicted the Low Countries in the 1530s to the dangerous end times beliefs that animate ISIS and pervade today s polarised nations and from the South Sea Bubble to the Enron scandal and dot com bubbles of recent years Through Bernstein s supple prose the participants are as colourful as their motivation invariably the desire to improve one s well being in this life or the next As revealing about human nature as they are historically significant Bernstein s chronicles reveal the huge cost and alarming implications of mass mania as he observes that if we can absorb the history and biology of mass delusion we can recognise it more readily in our own time and avoid its frequently dire impact The Authorized Left Behind Handbook Tim LaHaye,Jerry B.
