The Autobiography Of Osugi Sakae:

The Autobiography of Ōsugi Sakae Sakae Ōsugi, 1992 Not only an important literary work but one of the major documents dealing with the development of the left wing movement in modern Japanese politics Fred G Notehelfer author of *Kotoku Shusui Portrait of a Japanese Radical* **The Autobiography of Ōsugi Sakae (1885-1923)** Byron Kipling Marshall, 1961 A World History of Political Thought James Babb, 2025-02-12 In this revised and improved second edition of *A World History of Political Thought* the comprehensive comparative analysis of political thought from 600 BC to the present day is given even more depth and context The result is an intriguing and accessible journey through world history and culture Dandyism and Transcultural Modernity Hsiao-yen Peng, 2015-01-28 This book views the Neo Sensation mode of writing as a traveling genre or style that originated in France moved on to Japan and then to China The author contends that modernity is possible only on the transcultural site transcultural in the sense of breaking the divide between past and present elite and popular national and regional male and female literary and non literary inside and outside To illustrate the concept of transcultural modernity three icons are highlighted on the transcultural site the dandy the flaneur and the translator Mere flaneurs and flaneuses simply float with the tide of heterogeneous information on the transcultural site whereas the dandy flaneur and the cultural translator propellers of modernity manage to bring about transformative creation Their performance marks the essence of transcultural modernity the self consciousness of working on the threshold always testing the limits of boundaries and tempted to go beyond them To develop the concept of dandyism the quintessence of transcultural modernity the Neo Sensation gender triad formed by the dandy the modern girl and the modern boy is laid out Writers discussed include Liu Na ou a Shanghai dandy par excellence from Taiwan Paul Morand who looked upon Coco Chanel the female dandy as his perfect other self and Yokomitsu Riichi who developed the theory of Neo Sensation from Kant's the thing in itself *Japan and the High Treason Incident* Masako Gavin, Ben Middleton, 2013-08-21 The High Treason Incident rocked Japanese society between 1910 and 1911 when police discovered that a group of anarchists and socialists were plotting to assassinate the Emperor Meiji Following a trial held in camera twelve of the so called conspirators were hanged but while the executions officially brought an end to the incident they were only the initial outcome as the state became increasingly paranoid about national ideological cohesion In response it deployed an array of new technologies of integration and surveillance and the subsequent repression affected not only political movements but the whole cultural sphere This book shows the far reaching impact of the high treason incident for Japanese politics and society and the subsequent course of Japanese history Taking an interdisciplinary and global approach it demonstrates how the incident transformed modern Japan in numerous and unexpected ways and sheds light on the response of authoritarian states to radical democratic opposition movements elsewhere The contributors examine the effects of the incident on Japanese history literature politics and society as well as its points of intersection with broader questions of anarchism colonialism gender and

governmentality to underline its historical and contemporary significance With chapters by leading Western and Japanese scholars and drawing on newly available primary sources this book is a timely and relevant study that will be of great interest to students and scholars working in the fields of Japanese history Japanese politics Japanese studies as well as those interested in the history of social movements **Biography**, 1993 *Left History*, 1993 *The Japan Year Book* Katsuji Inahara, 1935 Includes list of clubs societies associations etc **Encyclopedia of Political Anarchy** Kathlyn Gay, Martin K.
