**The Axioms of Religion** E. Y. Mullins, In this classic work of Baptist theology E Y Mullins sets forth six fundamental principles that he argues are the essential elements of the Baptist message to the world. These axioms of religion are grounded in the New Testament and form the basis for Baptist beliefs about the nature of God, the church and the relationship between the individual believer and God. Mullins contends that these axioms while accepted by most evangelical Christians are most consistently embodied in the life and doctrine of Baptist churches.
