# The Gypsy Man

**Henry Wadsworth Longfellow**

## **The Gypsy Man:**

The Gypsy Man Robert Bausch, The motto of Crawford Virginia might well be Beware what you fear because it may come true Penny Bone is terrified of the town's local legend of a child stealing phantom Henry Gault her six year old daughter's teacher scoffs at the tale trusting in reason and foresight to safeguard what is most precious to him Penny's husband John is in prison for an accidental murder that happened because he was trying to be too careful And in prison he will almost accidentally become a hero which makes him prey to what he fears most hope An eerie succession of events will take these people into the bull's eye of risk that everyday life presents While the Gypsy Man may be just one of Crawford's myths John and Penny Bone are as real as the rising sun and their strength separately and together reminds us why life is worth living The Gypsy Man and its durable and enduring characters illuminates how an elusive truth lives behind every legend **Own**
