The Hated Son:

The Hated Son Оноре де Бальзак, 2021-03-16 *The Hated Son* Honoré de Balzac, 2019-12-05 In *The Hated Son* Honor de Balzac presents a profound exploration of familial dynamics and social class in 19th century France. Written in Balzac's distinctive realist style, the novella navigates the tumultuous relationship between a mother and her son captured in sharp emotional prose that deftly intertwines both psychological depth and societal critique. Set against the backdrop of post-Napoleonic France, the narrative delves into themes of loyalty, resentment, and the complexities of love, all while elucidating the inherent tensions of a rapidly changing social landscape. Honor de Balzac, a seminal figure in the literary movement of realism, was deeply influenced by his own tumultuous upbringing and the hierarchical societal structures of his time. This personal history, coupled with his extensive observations of the Parisian bourgeoisie, infused his writing with both authenticity and critical insight. Balzac's vast literary project, *La Comédie Humaine*, provides a rich context for understanding the myriad characters and societal nuances that populate his works, including *The Hated Son*. I highly recommend *The Hated Son* to readers seeking a nuanced psychological study woven with themes of love, resentment, and social critique. Balzac's acute observations and emotional depth engage readers, inviting them into a vivid portrayal of human complexity and the often painful intricacies of familial bonds. Those interested in the evolution of literary realism will find in this novella both a captivating narrative and a profound commentary on the human condition. **The Hated Son** Honore de Balzac, 2020-09-28

The Hated Son Honoré De Balzac, 2017-10-27 The novella *The Hated Son* is a section from French writer Honoré de Balzac's multi-volume masterwork *The Human Comedy*. Set in the late 1500s and early 1600s, the tale follows a newly married woman who is pregnant, and the baby's father is not her new husband. Terrified of what will become of herself and the child, she fears for both of their futures. The second part of the tale occurs several decades later. Will the illegitimate child ever be accepted by his mother's husband? **The Hated Son** Honore de Balzac, 2009-02-01 **The Hated Son** Honoré de

Balzac, 2020-10-28 In order not to awaken her husband who was sleeping beside her, the poor woman moved with precautions which her intense terror made as minute as those of a prisoner endeavoring to escape. Though the pains became more and more severe, she ceased to feel them so completely; did she concentrate her own strength on the painful effort of resting her two moist hands on the pillow, and so turning her suffering body from a posture in which she could find no ease. At the slightest rustling of the huge green silk coverlet under which she had slept but little since her marriage, she stopped as though she had rung a bell. Forced to watch the count, she divided her attention between the folds of the rustling stuff and a large swarthy face, the moustache of which was brushing her shoulder. When some noisier breath than usual left her husband's lips, she was filled with a sudden terror that revived the color driven from her cheeks by her double anguish. *The comédie humaine* Honoré de Balzac, 1898 *Juana.
