The Hell Masters:

The Master List Uncovered Michael W. Dewar, 2009-08 The Master List Uncovered is based upon Michael Dewar's pastoral preaching and teachings over the years it is an encouragement to believers to be steadfast in their faith But it is primarily a trumpet call to people everywhere Christians Gentiles Jews Muslims Buddhists and especially those without a religious faith to urgently contemplate their end of life destination and make the necessary change now by accepting God's redemptive offer of eternal life The compelling message of the book is that every human being will spend his or her eternity in one of two destinations and that destination choice must be made before physical death occurs or it will be made by default The default choice guarantees eternal death but the conscious deliberate choice of redemption guarantees eternal life in a hilariously happy place A person without a chosen end of life destination is a candidate for the eternal Lake of Burning Sulfur by default You are listed in one of God's two record books the book of life or the book of wrath Your listing determines your eternal destination The good news is you can change your listing and destination but the time to act is now **The Master** Israel Zangwill, 1895 **The Master Passion** Florence Marryat, 1886 **Hell's Battlefield** Phillip Bradley, 2012 The first book to tell the whole story of the Australians against the Japanese in Papua New Guinea during World War II This is the war as the men described it in diaries letters and memoirs And in interviews with war correspondents official historians and archivists the author has reconstructed and brought to life the war from the perspective of the men who were there Inside front cover **The Master's guide for His disciples: a manual of all the recorded sayings of Jesus, with a preface by E.
