## **The Indiscreet Letter:**

**The Indiscreet Letter** Eleanor Hollowell Abbott,2012-02-01 This classic short story unfolds during the last leg of a train journey Three characters form different backgrounds and with decidedly distinct outlooks find themselves brought together by a curious tale about an indiscreet letter Each has their own opinion about the story and about life love and risk taking A surprising twist ending serves as a satisfying conclusion to the story *The Indiscreet Letter* Eleanor Hollowell

Abbott,2020-02-21 Eleanor Hollowell Abbott was an American poet short story writer and novelist In this story three characters unlikely to meet share a train journey **The Indiscreet Letter (EasyRead Super Large 20pt Edition)**

*The Indiscreet Letter* Eleanor Hollowell Eleanor Hollowell Abbott,2013-10 The Railroad Journey was very long and slow The Traveling Salesman was rather short and quick And the Young Electrician who lolled across the car aisle was neither one length nor another but most inordinately flexible like a suit of chain armor More than being short and quick the Traveling Salesman was distinctly fat and unmistakably dressy in an ostentatiously new and pure looking buff colored suit and across the top of the shiny black sample case that spanned his knees he sorted and re sorted with infinite earnestness a large and varied consignment of Ladies Pink and Blue Ribbed Undervests Surely no other man in the whole southward bound Canadian train could have been at once so ingenuous and so nonchalant **The Indiscreet Letter** Eleanor Hollowell

Gerri Kimber,Claire Davison,2023-11-01 Unlike the first two volumes of this new edition of Katherine Mansfield's letters which encompassed a dazzling variety of correspondents this third volume focuses exclusively on letters to John Middleton Murry chronologically arranged from the day when he first became her lodger in 1912 through to the week after the Armistice in November 1918 when they were newly married It is no exaggeration to say that over the course of these six years their entire world was turned upside down By the time the volume closes they are married but already increasingly estranged they have both become professional writers but grapple with increasing economic precarity Europe lies ravaged by war and the devastating diagnosis of tuberculosis has been pronounced not ironically for Murry whose fragile health had preoccupied them for two years but for Mansfield herself This volume of letters documents the whole spectrum of changes against a vivid historical and socio cultural backcloth and contains entirely new insightful and extensive annotations A second
