## **The Inklings:**

**The Inklings, the Victorians, and the Moderns** Christopher Butynskyi, 2020-01-28 In *The Inklings the Victorians and the Moderns* the author examines the dynamics of a small group of twentieth century traditionalists who reacted in opposition to the spirit of the intellectual movements of the modern age In particular he draws on the Inklings e g C S Lewis J R R Tolkien Christian humanists such as G K Chesterton and other proponents of the Great Books and classical liberal learning to outline a position that eschewed reactionary rejections of modern thought but sought to transcend its perceived limitations by asserting the continued value of myth religion liberal education and ancient texts They were more than instigators and wished to reconcile and translate conservative traditional ideas within a progressive modern scientific context The author magnifies the intellectual trends in modern Western thought in the twentieth century and provides the historical context for the resistance to the prominent and convincing tenets of modernity Given the myriad responses he focuses on a more conservative response to reductive definitions born out of well intentioned progressivism The author approaches the subject matter from an historical perspective but utilizes an interdisciplinary discourse to create a multi dimensional explanation of the intellectual atmosphere of the twentieth century [The Inklings and Culture](#) Monika B. Hilder, Sara L. Pearson, Laura N. Van Dyke, 2020-11-24 How did five twentieth century British authors C S Lewis J R R Tolkien Charles Williams Owen Barfield and Dorothy L Sayers along with their mentors George MacDonald and G K Chesterton come to contribute more to the intellect and imagination of millions than many of their literary contemporaries put together How do their achievements continue to inform and potentially transform us in the twenty first century In this first collection of its kind addressing the entire famous group of seven authors the twenty seven chapters in *The Inklings and Culture* explore the legacy of their diverse literary art inspired by the Christian faith art that continues to speak hope into a hurting and deeply divided world **The Inklings of Oxford** Harry Lee Poe, 2009-08-30 Oxford's fabled streets echo with the names of such key figures in English history as Edmund Halley John Wycliffe and John and Charles Wesley Of more recent times are those of C S Lewis J R R Tolkien and the other members of the renowned literary circle to which they belonged the Inklings What would it be like to walk this medieval city's narrow lanes in the company of such giants of Christian literature to visit Magdalen College where Lewis and Tolkien read aloud their works in progress to their friends or the Eagle and Child pub the Inklings favorite gathering place The lavish photography of this book will introduce you to the fascinating world of the Inklings matching their words to the places where these friends discussed and argued over theology philosophy ancient Norse myth and Old Icelandic while writing stories that were to become classics of the faith *The Inklings of Oxford* will deepen your knowledge of and appreciation for this unique set of personalities The book also features a helpful map section for taking walking tours of Oxford University and its environs **C. S. Lewis and the Inklings** Mark Hall, Jason Fisher, Salwa Khoddam, 2012-12-18 This volume offers essays on a variety of aspects of the inter related topics of hiddenness

and discovery literary biographical philosophical and source study The Inklings that are examined in this anthology are C S Lewis J R R Tolkien and Owen Barfield with two of their literary predecessors and influences that are included under the term Inklings in this anthology G K Chesterton and George MacDonald Readers will find new territory for further exploration of C S Lewis and the Inklings in the areas of 1 creative collaboration among the Inklings 2 genres for example the penny dreadful Christian liturgical poetry 3 literary influences H G Wells Dante 4 linguistics Tolkien s web of words and 5 the convergence of literature and theology Other areas which readers would find interesting are medieval cosmology classical mythology and Nordic mythology in Lewis s and Tolkien s works the pagan mythology of the Greeks and Romans and the Nordic myth of Ragnar k Consequently Lewis s A Discarded Image was studied by several contributors to substantiate his knowledge on the medieval cosmos     The Magical World of the Inklings Gareth Knight,2010 Because of the combination of information understanding and insight on which it is founded The Magical World of the Inklings is more than outstanding It is not in the same league with anything else I have come across Owen Barfield The works of J R R Tolkien C S Lewis Charles Williams and Owen Barfield have had a profound impact on the contemporary world Together they were The Inklings a small literary group of friends who set out to explore the mythopoeic or myth making element in imaginative fiction The Magical World of the Inklings reveals how each of these writers created a magical world which initiated the reader into hidden and powerful realms of the creative imagination     The Fellowship Philip Zaleski,Carol Zaleski,2015-06-02 C S Lewis is the 20th century s most widely read Christian writer and J R R Tolkien its most beloved mythmaker For three decades they and their closest associates formed a literary club known as the Inklings which met every week in Lewis s Oxford rooms and in nearby pubs They discussed literature religion and ideas read aloud from works in progress took philosophical rambles in woods and fields gave one another companionship and criticism and in the process rewrote the cultural history of modern times In The Fellowship Philip and Carol Zaleski offer the first complete rendering of the Inklings lives and works The result is an extraordinary account of the ideas affections and vexations that drove the group s most significant members C S Lewis accepts Jesus Christ while riding in the sidecar of his brother s motorcycle maps the medieval and Renaissance mind becomes a world famous evangelist and moral satirist and creates new forms of religiously attuned fiction while wrestling with personal crises J R R Tolkien transmutes an invented mythology into gripping story in The Lord of the Rings while conducting groundbreaking Old English scholarship and elucidating for family and friends the Catholic teachings at the heart of his vision Owen Barfield a philosopher for whom language is the key to all mysteries becomes Lewis s favorite sparring partner and for a time Saul Bellow s chosen guru And Charles Williams poet author of supernatural shockers and strange acolyte of romantic love turns his everyday life into a mystical pageant Romantics who scorned rebellion fantasists who prized reality wartime writers who believed in hope Christians with cosmic reach the Inklings sought to revitalize literature and faith in the twentieth century s darkest years and did so in dazzling style     The Inklings Humphrey Carpenter,1978
