

The International Relations Of Japan

Wolf Mendl

The International Relations Of Japan:

Japan's International Relations Glenn D. Hook, 2005 This text examines the position of Japan in terms of its political economic and security role in the three core regions of the global political economy the United States East Asia and Europe as well as in the key global institutions *International Relations of Japan* Kathleen Newland, 2016-07-27 In this work nine scholars from Britain the US and Japan examine aspects of Japan's international role ranging from its bilateral relations with China and the Soviet Union through its direct investment in the American market to the evolution of its aid to the Third World **The International Relations of Japan** Kathleen Newland, 1991 Ten essays that originally comprised a special issue of Millennium journal of international studies number and date not given published by the London School of Economics explore some aspects of Japan's foreign relations besides the thoroughly analyzed political and economic relations with the US Consideration is given to bilateral and multilateral partnerships as well as to Japan as the home country to important non state actors in the international system Annotation copyrighted by Book News Inc Portland OR Japan's International Relations Takashi Inoguchi, 2013-12-17 Japan's International Relations focuses on three major issues firstly Japan's role in relation to its place in the international structure its economic dynamism and its historical past Secondly how Japan's role is manifested in a number of key areas economic security bilateral and regional Thirdly Inoguchi analyses the Japan's role in the light of the continuing US Soviet détente an enlarged Europe continuing Pacific dynamism and global economic difficulties First published in 1991 this title is part of the Bloomsbury Academic Collections series **Japan's International Relations** Glenn D. Hook, Julie Gilson, Christopher W. Hughes, Hugo Dobson, 2011-09-01 The latest edition of this comprehensive and user friendly textbook provides a single volume resource for all those studying Japan's international relations It offers a clear and concise introduction to the most important aspects of Japan's role in the globalized economy of the twenty first century The book has been fully updated and revised to include comprehensive discussions of contemporary key issues for Japan's IR including the rise of China reaction to the global economic and financial crisis since 2008 Japan's proactive role after 9 11 and the war on terror responses to events on the Korean Peninsula relations with the USA and the Obama administration relations with Russia Central Asia and the Middle East changing responses to an expanding and deepening European Union Extensively illustrated the text includes statistics maps photographs summaries and suggestions for further reading making it essential reading for those studying Japanese politics and the international relations of the Asia Pacific A note on the cover The cover illustration entitled Double Standard is a Japanese manga penned by satirical artist Ichihanahana in November 2010 regarding rising Japanese nationalism Japan China tensions over the disputed territory of the Senkaku islands and the US presence in Okinawa This manga demonstrates many of the key themes in Japan's ties with China and the US but also a number of other central features of Japan's international relations as explored throughout this text Japan's International Relations Glenn D. Hook, Julie Gilson, Christopher W. Hughes, Hugo Dobson, 2013-01-11 The new

edition of this comprehensive and user friendly textbook provides a single volume resource for all those studying Japan s international relations Routledge Library Editions: Japan's International Relations Various Authors,2021-05-28 This set brings together a collection of key works about the International Relations of Japan Written by a range of international experts the titles cover the essential aspects of Japan s postwar relationship to the outside world its changing notion of its role in the international community and its relations with China and the US Japan's Subnational Governments in International Affairs Purnendra Jain,2005 This book explores what Japanese subnational Governments do where they do it and why before considering the implications of these factors for Japanese international relations and domestic politics

Risk State Sebastian Maslow,Ra Mason,Paul O'Shea,2015-03-28 The increase of new complex security challenges and the heightening significance of a diverse array of actors has simultaneously posed a challenge to traditional perspectives on international relations and foreign policy and created an opportunity for new concepts to be applied Conventional explanations of Japan s foreign policy have provided us with theoretically predetermined understandings and fallacious predictions Reformulating risk in its application to the study of international relations and foreign policy this volume promises new insights into the analysis of contemporary foreign policy in East Asia and Japan s post Cold War international relations in particular **Japan's Foreign Relations** Robert S. Ozaki,2019-03-07 After World War II Japan reemerged in the arena of international relations as an almost exclusively economic power without military might or territorial ambitions Within some thirty years it transformed itself from a semideveloped state to a technological superpower with an economy that today is the second largest in the free world next only to the United States accounting for over 10 percent of total global production The management of a rapidly growing industrial state with little domestic supply of resources necessarily requires great skill in the difficult task of maintaining sufficient access to overseas markets to sustain internal economic activity Not surprisingly then Japan s foreign relations from World War II to the present have been heavily conditioned by economic considerations This collection of original articles investigates how the economic growth of Japan has affected the pattern of its foreign relations and where and to what extent economic principles have had to be compromised for political legal cultural or ideological reasons The contributors experts on Japan s economy politics and foreign relations analyze the state of Japan s foreign relations with North America the EC Oceania the Soviet Union COMECON China ASEAN the Middle East Latin America Africa Korea and Taiwan focusing on developments in the last seven years and predicting likely trends in the 1980s **Re-rising Japan** Hidekazu Sakai,Yoichiro Sato,2018 The lost two decades of Japan s economic power since the early 1990s have generated the image among scholars in the discipline of international relations IR that Japan is no longer a significant player Hence today s IR literature focuses on the rise of China Re rising Japan Its Strategic Power in International Relations challenges this trend by showing up to date evidence that Japan is still a major power in today s international relations where the interests and power of the United States and China have increasingly clashed over many issues Indeed

since the Abe cabinet re emerged in December 2012 there has been growing academic interest in Japan's bold monetary financial social policies Abenomics and relatively assertive security policy Where is Japan heading and what path has it taken since the 2000s This book responds to these questions Re rising Japan assembles the latest studies on Japan written by today's young and energetic scholars It consists of three parts 1 Geopolitics 2 Domestic Political Social Norms and Values and 3 Asian Regional Integration and Institutionalizations The individual chapters reveal what power assets Japan has and their strength and weakness in today's international relations Readers will attain a complete picture of Japan and its evolving new strategy in the decaying U S unipolar system where China has been behaving as a revisionist state **Japan's Asia Policy** Wolf Mendl, 2002-09-11 This volume provides a timely and expert analysis of Japan's Asia policy as the country continues to address the future through trying to cope with the burden of a chequered past Dr Mendl locates his exposition of Japan's policy towards both North East and South East Asia in a full historical and cultural context and importantly takes due account of the underlying and potent factor of national identity in shaping international outlook He begins his study with a discussion of the enigma of Japanese policy expressed in debate over whether or not that policy expresses a calculated grand design A corresponding enigma emerges in Dr Mendl's exposition of Japan's policy towards a part of the world with which it shares a geographical location and a measure of identity but one which he maintains cannot be separated from its engagement at the global level In exploring the theme of how Japan is confronted by the problem of reconciling its relations with Asia with pursuing a global role in uncharted post Cold War waters Dr Mendl makes a lucid and scholarly contribution to the debate about Japan's place in a world which it has helped to shape through its economic performance and example

Japan in International Politics Thomas U. Berger, Mike Mochizuki, Jitsuo Tsuchiyama, 2007 How have shifts in both the international environment and domestic politics affected the trajectory of Japanese foreign policy Does it still make sense to depict Japan as passive and reactive or have the country's leaders become strategic and proactive This book presents a nuanced picture of Japanese foreign policy emphasizing the ways in which slow adaptive changes informed by pragmatic liberalism have served the national interest Regional Risk and Security in Japan Glenn D. Hook, Ra Mason, Paul O'Shea, 2015-05-20 Japan's unusual position in the realm of international politics encapsulates a three fold juxtaposition both in and out of Asia both occupied by and a close ally of the United States and both a key trade partner and a strategic rival of China Whilst international relations theory offers a number of ways to analyse these relations this book instead utilizes the concept of risk to provide an innovative perspective on Japan's relations with China North Korea and the US The book elucidates how risk potential harm and harm are faced disproportionately by certain groups in society This is demonstrated by providing an empirically rich analysis of the domestic implications of security relations with China North Korea and the United States through the presence of US troops in Okinawa Beginning with a theoretical discussion of risk it goes on to demonstrate how the concept of risk adds value to the study of international relations in three senses First the concept helps

to break down the boundaries between the international and domestic Second the focus on risk and the everyday directs us to ask basic questions about the costs and benefits of a security policy meant to secure the national population Third what implications do these two points have for governance The question is one of governance as Japan s externally oriented security policy produces domestic insecurity shared disproportionately not equally as this volume makes clear Developing the theory of risk as a tool for understanding international relations this book will be of great interest to students and scholars of Asian politics Japanese politics international relations and security studies as well as to policy makers and practitioners working in the field

The Church and International Relations - Japan Charles S. Macfarland, Federal Council of the Churches of Christ in America. Commission on Relations with Japan, 1917

Japan and the Wider World Akira Iriye, 2014-09-19 Akira Iriye assesses Japan s international relations from a Japanese perspective in the century and a half since she ended her self imposed isolation and resumed her place in the international community The book is the author s own adaptation of two highly successful short studies up to and after 1945 that he wrote for Japan It ends with a consideration of Japan s international relations since the end of the Cold War and her place in the world today This is history written from within and there could be no better interpreter of Japan to the West than this most distinguished of historians who himself Japanese has long lived and taught in the United States

Japanese Foreign Policy Today NA NA, 2016-04-30

The US remains the leading world power but across the Pacific Japan has the world s second largest economy and great international economic clout Some voices in the international arena have urged Japan to play more constructive and politically active roles in the international arena This volume collects essays analyzing the key issues in Japan s international relations as it heads toward a new world order the pressing global and regional issues and their domestic implications the actors and the major policy directions

Japan's Foreign Relations in Asia James D. J. Brown, Jeff Kingston, 2017-12-19 Japan s Foreign Relations in Asia has been specifically designed to introduce students to Japan s foreign relations in Asia since 1990 a period in which there have been dramatic developments in Japan including the reinterpretation of the Constitution and expanded US Japan defence cooperation The geopolitical dynamics and implications of these new developments are profound and underscore the need for a new textbook on this subject Covering not only the key regional players of China and the Koreas this textbook also encompasses chapters on Japan s relations with India Myanmar Indonesia Vietnam the Philippines and Thailand along with its multilateral engagement and initiatives Combined with transnational chapters on critical issues key themes covered by this book include An historical overview of key post war developments Japan s evolving security policy Analysis of the region s escalating maritime disputes An evaluation of Japanese soft power in Asia Written by leading experts in accessible jargon free style this new textbook will appeal to undergraduate and postgraduate students of Japanese politics international relations and foreign policy and Asian affairs in general

Japan and Multilateral Diplomacy Philippe Régnier, Daniel Warner, 2017-10-05 This title was first published in 2001 Japan has a long history of being isolated

from multilateral diplomacy With its increasing economic power Japan has become more concerned with external foreign relations and hence more involved in multilateral diplomacy This coherent and interrelated text brings together studies of the central issues involved written by prominent Japanese and Western scholars analyzing the emergence of Japan in multilateral fora from historical domestic and international perspectives Those concerned with international relations will find this text an essential guide for courses and research

The Diplomatic History of Postwar Japan Makoto Iokibe, Translated and Annotated by Robert D. Eldridge, 2013-10-31 Winner of the prestigious Yoshida Shigeru Prize 1999 for the best book in public history when it was published in its original Japanese this book presents a comprehensive and up to date overview of Japan's international relations from the end of the Pacific War to the present Written by leading Japanese authorities on the subject it makes extensive use of the most recently declassified Japanese documents memoirs and diaries It introduces the personalities and approaches Japan's postwar leaders and statesmen took in dealing with a rapidly changing world and the challenges they faced Importantly the book also discusses the evolution of Japan's presence on the international stage and the important if underappreciated role Japan has played The book examines the many issues which Japan has had to confront in this important period from the occupation authorities in the latter half 1940s to the crisis filled 1970s from the post Cold War decade to the contemporary war on terrorism The book examines the effect of the changing international climate and domestic scene on Japan's foreign policy and the way its foreign policy has been conducted It discusses how the aims of Japan's foreign relations and how its relationships with its neighbours allies and other major world powers have developed and assesses how far Japan has succeeded in realising its aims It concludes by discussing the current state of Japanese foreign policy and likely future developments

The International Relations Of Japan Introduction

In the digital age, access to information has become easier than ever before. The ability to download The International Relations Of Japan has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The International Relations Of Japan has opened up a world of possibilities. Downloading The International Relations Of Japan provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The International Relations Of Japan has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The International Relations Of Japan. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The International Relations Of Japan. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The International Relations Of Japan, users should also

consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The International Relations Of Japan has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The International Relations Of Japan Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
