In a world shrouded by eternal darkness and ruled by supernatural beings, a young woman must confront her deepest prejudices, forge unlikely alliances, and face an ancient malevolent evil that threatens to consume everything. Madison Eleohnora Marion Perrault, Stone, the crown princess and heir to the throne of Mysaulia, is more than just royalty. She's a witch, a Warrior, and a Hunter trained to despise all things unnatural, including the very creatures that now rule Earth. In a realm where werewolves, vampires, and hybrids reign supreme over the four remaining human kingdoms, Madison's duty as a Hunter is clear: protect her people from the demons of The Great Darkness that threaten to engulf their world. But when a special assignment sends Madison to negotiate a peace treaty with the neighboring kingdom of Naremia, her beliefs and loyalties are put to the test. She's forced into The Selection, a contest to become the bride of Naremia's enigmatic crown prince, Oscar. Reluctantly accepting the marriage proposal to prevent war, Madison's journey takes an unexpected turn. As she delves deeper into the secrets of Naremia's royal family, she discovers hidden truths about Oscar, his father, and the enigmatic queen. Through Madison's commitment to unite Mysaulia and Naremia into a formidable force against the encroaching darkness, her resolve grows unwavering. With newfound allies, she's thrust into battles, faces jealousy and treachery, and forges an unbreakable bond with Jessica, one of Oscar's former flames. But her quest for peace and strength is marred by tragedy as she confronts a demon within The Great Darkness. Set in a world where ancient prophecies, supernatural alliances, and destiny collide, *The Ice Queen* is the first installment in *The Queen's Throne* series. Join Madison on a journey of transformation, love, and unyielding determination as she seeks to banish the demons back to their realm, rewrite the fate of her world, and take her place on the throne. If you enjoy fantasy adventures filled with magic, romance, and heroism, *The Ice Queen* is a must-read. Immerse yourself in a world where queens rise to power and where alliances forged in the darkest of times are the key to survival. Long ago, tragedy struck and turned a young woman into the ice queen of legend. Evil has come to Luminesa's forest. The Goblin has stolen three innocents and thrust them into a violent and terrible time loop in her own lands. And the only way to save them is to go to them herself. But there's a problem because the moment Luminesa steps foot inside that magicked place, she too will get sucked into the Goblin's nefarious scheme. Freedom can only be had if she can figure out the riddle of the key and she only has one month to try. Failure means death for them all. There is absolutely no time or room for romance, but that's exactly what happens when
