The Birth Project:

The Birth Project Judy Chicago, 1985 Fifty full color and 350 black and white photographs illustrate the Birth Project exhibit conceived by Judy Chicago based on nearly one hundred of her works and needleworked by women across the country. Between 1980-1985 Judy Chicago designed dozens of images on the subject of birth and creation to be embellished by needleworkers around the United States and Canada and as far away as New Zealand. Formatted into provocative exhibition units which included both needleworks and documentary materials these works toured the country and Canada eventually placed by Through the Flower in numerous institutions where they are on public view or used as part of university curricula. Prior to the Birth Project few images of birth existed in Western art a puzzling omission as birth is a central focus of many women's lives and a universal experience of all humanity as everyone is born. Seeking to fill this void Judy Chicago created multiple images of birth to be realized through needlework a visually rich medium which has been ignored or trivialized by the mainstream art community.

Arts Therapies and Gender Issues Susan Hogan, 2019-07-30 Arts Therapies and Gender Issues offers international perspectives on gender in arts therapies research and demonstrates understandings of gender and arts therapies in a variety of global contexts. Analysing current innovations and approaches in the arts therapies it discusses issues of cultural identity which intersect with sex, gender norms, stereotypes and sexual identity. The book includes unique and detailed case studies such as the emerging discipline of creative writing for therapeutic purposes, re-enactment, phototherapy, performative practice and virtual reality. Bringing together leading researchers it demonstrates clinical applications and shares ideas about best practice.

Incorporating art, drama, dance and music therapy this book will be of great interest to academics and researchers in the fields of arts therapies, psychology, medicine, psychotherapy, health and education. It will also appeal to practitioners and teachers of art, dance, movement, drama and music therapy.

Becoming Judy Chicago Gail Levin, 2018-10-16 Born to Jewish radical parents in Chicago in 1939 Judy Cohen grew up to be Judy Chicago one of the most daring and controversial artists of her generation. Her works once disparaged and misunderstood by the critics have become icons of the feminist movement earning her a place among the most influential artists of her time. In *Becoming Judy Chicago* Gail Levin gives us a biography of uncommon intimacy and depth revealing the artist as a person and a woman of extraordinary energy and purpose. Drawing upon Chicago's personal letters and diaries her published and unpublished writings and more than 250 interviews with her friends, family, admirers and critics Levin presents a richly detailed and moving chronicle of the artist's unique journey from obscurity to fame including the story of how she found her audience outside of the art establishment.

Chicago revolutionized the way we view art made by and for women and fundamentally changed our understanding of women's contributions to art and to society. Influential and bold, *The Dinner Party* has become a cultural monument. Becoming Judy Chicago tells the story of a great artist, a leader of the women's movement, a tireless crusader for equal rights and a complicated, vital woman who dared to express her own sexuality in her art and demand recognition from a male-dominated culture.
